Skeptics Who Demanded A Verdict:

Skeptics Who Demanded a Verdict Josh McDowell, 1989 The stories of three one time skeptics who came to believe in Christ C S Lewis Charles Colson and John McDowell A convincing witness for the faith *Evidence That Demands a Verdict* Josh McDowell, Sean McDowell, 2017-10-03 Everything you need to effectively defend the truths of the Bible and the beliefs of the Christian faith Winner of the 2018 ECPA Christian Book award for Bible Reference Works The truth of the Bible doesn't change but its critics do Now with his son Sean McDowell speaker and author Josh McDowell has updated and expanded the modern apologetics classic for a new generation *Evidence That Demands a Verdict* provides an expansive defense of Christianity's core truths rebuttals to some recent and popular forms of skepticism and insightful responses to the Bible's most difficult and misused passages It invites readers to bring their doubts and doesn't shy away from the tough questions Topics and questions are covered in four main parts Evidence for the Bible Evidence for Jesus Evidence for the Old Testament Evidence for Truth Also included you'll find An introduction about the biblical mandate to defend one's faith and why our faith is built on facts A prologue describing why we live in a theistic universe A closing response to the specific challenges of atheist New Testament scholar Bart Ehrman Two reflections How to Know God Personally and He Changed My Life Serving as a go to reference for even the toughest questions *Evidence that Demands a Verdict* continues to encourage and strengthen millions by providing Christians the answers they need to defend their faith against the harshest critics and skeptics Here's a treasure trove of apologetic gems This is an indispensable book that all Christians should keep within reach Lee Strobel bestselling author of *The Case for Christ* [Evidence that Demands a Verdict, eBook](#) Josh McDowell, 1999-10-13 Among important books in the defense of Christianity this one has few equals *Evidence That Demands a Verdict* is an easy to read front line defense for Christians facing the tough questions of critics and skeptics Using secular evidences and other historical sources Josh McDowell's faith building book is a must read for every Christian *Answering the Objections of Atheists, Agnostics, and Skeptics* Rhodes, Ron, **Skeptics Answered** Dr. James Kennedy, 2011-10-05 Dr. James Kennedy takes on some of the most asked questions regarding the validity of the Christian faith in *Skeptics Answered* In clear unassuming language Dr. Kennedy examines the reliability of the Bible the nature of God and Christian faith in the face of life's harsh realities *Skeptics Answered* uses factual well reasoned arguments to affirm the faith of Christians everywhere Ideal for both personal and group study it makes an excellent gift for any non believer who as a matter of intellectual integrity is willing to consider the clear evidence for the Christian faith [Answers for the Honest Skeptic](#) Ted Even, 2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then

obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing *His Word 7 Year Work Biblical Roots by Former Skeptic* , [The Skeptic Encyclopedia of Pseudoscience](#) Michael Shermer,2002-11-14 A thorough objective and balanced analysis of the most prominent controversies made in the name of science from the effectiveness of proposed medical treatments to the reality of supernatural claims Edited by Michael Shermer editor and publisher of The Skeptic magazine this truly unique work provides a comprehensive introduction to the most prominent pseudoscientific claims made in the name of science Covering the popular the academic and the bizarre the encyclopedia includes everything from alien abductions to the Bermuda Triangle crop circles Feng Shui and near death experiences Fifty nine brief descriptive summaries and 23 investigations from The Skeptic magazine give skeptical analyses of subjects as far ranging as acupuncture chiropractic and Atlantis The encyclopedia also gives for and against debates on topics such as evolutionary psychology and case studies on topics like police psychics and the medical intuitive Carolyn Myss Finally the volumes include five classic works in the history of science and pseudoscience including the speech William Jennings Bryan never delivered in the Scopes trial and the first scientific and skeptical investigation of a paranormal spiritual phenomenon by Benjamin Franklin and Antoine Lavoisier **10 Answers for Skeptics** Alex McFarland,2011-10-01 In 10 Answers for Skeptics McFarland identifies the 10 most common types of skepticism that plague doubters minds and offers believers proven strategies for connecting intellectually and spiritually with those who are skeptical about the claims of Christianity Today s skeptics are looking for authenticity integrity and straightforward truth Readers will learn how to answer intimidating questions identify the root issue behind those questions and dismantle the spiritual bombshells dropped by atheists Plus they ll find encouragement to face hostility by persevering in love the ultimate apologetic Christians can offer as witness to our loving God **A Skeptic's Investigation into Jesus** J. P. Hannah,2020-04-27 Does human life have any significance The statements below have become widely accepted in the Western world Life is the accidental product of random events The laws of physics are totally deterministic Science does not accept a connection between physical matter and human consciousness Atheism is a conclusion from evidence while faith is speculation Science and faith are incompatible Suffering contradicts the existence of a loving omnipotent God Jesus was a compilation of pagan mythologies or a human teacher who was deified But do these statements represent eternal truths Are they logical conclusions based on established facts or

merely opinions What is the evidence To investigate these and other questions of existence and faith a skeptical academic objectively explored relevant aspects of philosophy mythology history archaeology cosmology quantum physics biochemistry and various faiths that finally led to investigation of the Judeo Christian Scriptures including the Dead Sea Scrolls and the gnostic gospels The findings of this research not only challenge many modern assumptions but also have significant implications for our understanding of reality Written with minimum technicality for general readership this book presents a wide range of interesting and carefully confirmed facts relevant to the above questions Whether you are an atheist or an agnostic a Christian or a follower of another faith or have simply not been interested this investigation provides valuable and surprising insights into the nature of the universe and our place in it *Interpretation and Transformation* Michael Krausz,2007 In this book Michael Krausz addresses the concept of interpretation in the visual arts the emotions and the self He examines competing ideals of interpretation their ontological entanglements reference frames and the relation between elucidation and self transformation The series Interpretation and Translation explores philosophical issues of interpretation and its cultural objects It also addresses commensuration and understanding among languages conceptual schemes symbol systems reference frames and the like The series publishes theoretical works drawn from philosophy rhetoric linguistics anthropology religious studies art history and musicology *Can a Skeptic Believe in God?* James B. Polson,2019-10-15 The author was a skeptic by nature and a research scientist by training Could such a person ever believe in God This book recounts the skeptical author's quest to discover whether anything can be proven about the existence of God the existence of heaven and hell and whether there is anything a person can do to change his eternal destiny His search led to some vital truths that he and others can believe in *Knowing the Truth About the Resurrection* John Ankerberg,John Weldon,2011-04-06 Throughout history people have tried to discredit Christianity by disputing the claim that Jesus Christ died and rose from the dead Is there evidence so persuasive that after careful evaluation skeptics and critics will realize the truth of the resurrection Unequivocally yes Join in this exploration of the events surrounding the resurrection including The historical and logical evidence supporting Christ's resurrection The accuracy and precision of Jesus predictions The resurrection's unequalled impact on the world This booklet provides a clear concise look at the resurrection It gives you the opportunity to understand and examine the evidence that is the foundation for biblical Christianity [The Oxford Handbook of Skepticism](#) John Greco,2011-10-01 In the history of philosophical thought few themes loom as large as skepticism Skepticism has been the most visible and important part of debates about knowledge Skepticism at its most basic questions our cognitive achievements challenges our ability to obtain reliable knowledge casting doubt on our attempts to seek and understand the truth about everything from ethics to other minds religious belief and even the underlying structure of matter and reality Since Descartes the defense of knowledge against skepticism has been one of the primary tasks not just of epistemology but philosophy itself The Oxford Handbook of Skepticism features twenty six newly commissioned chapters by

top figures in the field Part One contains articles explaining important kinds of skeptical reasoning Part Two focuses on responses to skeptical arguments Part Three concentrates on important contemporary issues revolving around skepticism As the first volume of its kind the articles make significant contributions to the debate on skepticism

Handbook of Biblical Evidences John Ankerberg, John Weldon, 2008-03-01 Many Christians are afraid to talk about their faith for fear of not knowing what to say How can they prepare themselves That s the purpose of Handbook of Bible Evidences written by two bestselling apologetics experts John Ankerberg and John Weldon They provide clear and thoughtful responses to the tough questions seekers are most likely to ask questions such as Hasn t evolution proved that Genesis is wrong Isn t the Bible filled with historical and scientific errors What evidence is there that Jesus rose from the dead Focused on topics related to the Bible Jesus Christ and creation this powerful resource deals head on with false assumptions and frequent misconceptions people have And it s based on more than 30 years of apologetics research and ministry to unbelievers A superb tool for helping readers know how to share their faith with confidence Formerly titled Ready with an Answer
