Terror To Evil Doers Prisons And Punishments In Nineteenth Century Ontario:

'Terror to Evil-doers' Peter Oliver, Osgoode Society for Canadian Legal History, 1998-01-01 The history of the foundations of modern carceral institutions in Ontario Drawing on a wide range of previously unexplored primary material Oliver provides a narrative and interpretative account of the penal system in 19th century Ontario *Crime and Punishment in Upper Canada* Janice Nickerson, 2010-09-20 Crime and Punishment provides genealogists and social historians with context and tools to locate sources on criminal activity and its consequences during the Upper Canada period of Ontario's history through engravings maps charts documents and case studies *Essays in the History of Canadian Law* J. Phillips, R. Roy McMurtry, John T. Saywell, 2008-09-18 Written to honour the life and work of the late Peter N Oliver the distinguished historian and editor in chief of the Osgoode Society for Canadian Legal History from 1979 2006 this collection assembles the finest legal scholars to reflect on the issues in and development of the field of legal history in Canada Covering a broad range of topics this volume examines developments over the last two hundred years in the legal profession and the judiciary nineteenth century prison history as well as the impact of the 1815 Treaty of Paris The introduction also provides insight into the history of the Osgoode Society and of Oliver's essential role in it along with an illuminating analysis of the Society's publications program which produced sixty six books during his tenure A fitting tribute to one of the foremost legal historians this tenth volume of *Essays in the History of Canadian Law* is a significant contribution to the discipline to which Oliver devoted so much Prisons, Asylums, and the Public Janet Miron, 2011-01-01 The prisons and asylums of Canada and the United States were a popular destination for institutional tourists in the nineteenth century Thousands of visitors entered their walls recording and describing the interiors inmates and therapeutic and reformative practices they encountered in letters diaries and articles Surprisingly the vast majority of these visitors were not members of the medical or legal elite but were ordinary people *Prisons Asylums and the Public* argues that rather than existing in isolation these institutions were closely connected to the communities beyond their walls Challenging traditional interpretations of public visiting Janet Miron examines the implications and imperatives of visiting from the perspectives of officials the public and the institutionalized Finding that institutions could be important centres of civic activity self edification and scientific study *Prisons Asylums and the Public* sheds new light on popular nineteenth century attitudes towards the insane and the criminal *Reclaiming the Don* Jennifer L. Bonnell, 2014-09-24 A small river in a big city the Don River Valley is often overlooked when it comes to explaining Toronto's growth With *Reclaiming the Don* Jennifer L Bonnell unearths the missing story of the relationship between the river the valley and the city from the establishment of the town of York in the 1790s to the construction of the Don Valley Parkway in the 1960s Demonstrating how mosquito ridden lowlands frequent floods and over burdened municipal waterways shaped the city's development *Reclaiming the Don* illuminates the impact of the valley as a physical and conceptual place on Toronto's development Bonnell explains how for more than two centuries the Don has served as a source

of raw materials a sink for wastes and a place of refuge for people pushed to the edges of society as well as the site of numerous improvement schemes that have attempted to harness the river and its valley to build a prosperous metropolis Exploring the interrelationship between urban residents and their natural environments she shows how successive generations of Toronto residents have imagined the Don as an opportunity a refuge and an eyesore Combining extensive research with in depth analysis Reclaiming the Don will be a must read for anyone interested in the history of Toronto s development

Violent Crime in North America Louis A. Knafla,2003-12-30 This the nineteenth volume of Criminal Justice History features seven original essays on the history of violent crimes and punishments in North America in the nineteenth and twentieth centuries including a major bibliography on capital punishment and the death penalty in the United States The volume also contains a long book review essay on eleven books dealing with aspects of global terrorism and reviews of eleven individual major works on the history and ideology of crime and criminal justice that have appeared from the end of the 1990s The introduction outlines the issues and themes that are contained in the essays and reviews As in the earlier volumes in this series a comprehensive index identifies all subjects names and places in the volume

America's Death Penalty David Garland,Randall McGowen,Michael Meranze,2011-01-25 Over the past three decades the United States has embraced the death penalty with tenacious enthusiasm While most of those countries whose legal systems and cultures are normally compared to the United States have abolished capital punishment the United States continues to employ this ultimate tool of punishment The death penalty has achieved an unparalleled prominence in our public life and left an indelible imprint on our politics and culture It has also provoked intense scholarly debate much of it devoted to explaining the roots of American exceptionalism America s Death Penalty takes a different approach to the issue by examining the historical and theoretical assumptions that have underpinned the discussion of capital punishment in the United States today At various times the death penalty has been portrayed as an anachronism an inheritance or an innovation with little reflection on the consequences that flow from the choice of words This volume represents an effort to restore the sense of capital punishment as a question caught up in

history Edited by leading scholars of crime and justice these original essays pursue different strategies for unsettling the usual terms of the debate In particular the authors use comparative and historical investigations of both Europe and America in order to cast fresh light on familiar questions about the meaning of capital punishment This volume is essential reading for understanding the death penalty in America Contributors David Garland Douglas Hay Randall McGowen Michael Meranze Rebecca McLennan and Jonathan Simon

Law of the Land Greg Taylor, 2008-09-18 How was it that the Torrens system a mid nineteenth century reform of land titles registration from distant South Australia gradually replaced the inherited Anglo Canadian common law system of land registration In *The Law of the Land* Greg Taylor traces the spread of the Torrens system from its arrival in the far flung outpost of 1860s Victoria British Columbia right up to twenty first century Ontario Examining the peculiarity of how this system of land reform swept through some provinces like wildfire and yet still remains completely unknown in three provinces Taylor shows how the different histories of various regions in Canada continue to shape the law in the present day Presenting a concise and illuminating history of land reform he also demonstrates the power of lobbying by examining the influence of both moneylenders and lawyers who were the first to introduce the Torrens system to Canada east of the Rockies An exact and fluent legal history of regional law reforms *The Law of the Land* is a fascinating examination of commonwealth influence and ongoing regional differences in Canada

The Notorious Georges Jonathan Swainger, 2023-10-15 Boozy and boisterous The Georges the communities of South Fort George and Fort George that ultimately became Prince George acquired a seedy reputation for a century at times branded the dubious title of Canada s most dangerous city Is Prince George really such a bad lad *The Notorious Georges* explores how the pursuit of respectability collided with caricatures of a riotous settlement frontier in its early years Anxious about being marginalized by the provincial government and venture capitalists municipal leaders blamed Indigenous and mixed heritage people non preferred immigrants and transient labourers for local crime Jonathan Swainger combs through police and legal records government publications and media commentary to demonstrate that the disorder was not so different from the rest of the province and respectable white residents were often to blame This lively account tells us about more than a particular community s identity It also sheds light on small town disaffection in modern Canada
