

Terry Pratchett

Terry Pratchett

Terry Pratchett:

Terry Pratchett's Ethical Worlds Kristin Noone, Emily Lavin Leveret, 2020-08-05 Terry Pratchett's writing celebrates the possibilities opened up by inventiveness and imagination. It constructs an ethical stance that values informed and self-aware choices, knowledge of the world in which one makes those choices, the importance of play and humor in crafting a compassionate worldview, and acts of continuous self-examination and creation. This collection of essays uses inventiveness and creation as a thematic core to combine normally disparate themes such as science fiction, studies of the effect of collaborative writing and shared authorship, steampunk aesthetics, productive modes of ownership, intertextuality, neomedievalism, and colonialism, adaptations into other media, linguistics and rhetorics, and coming of age as an act of free will.

Seriously Funny Terry Pratchett, 2016-04-21 I'll be more enthusiastic about encouraging thinking outside the box when there's evidence of any thinking going on inside it. The most quotable writer of our time, Terry Pratchett's unique brand of wit made him both a bestseller and an enduring endearing source of modern wisdom. This collection is filled with his funniest and most memorable words about life, the universe, and snoring.

An Unofficial Companion to the Novels of Terry Pratchett Andrew M. Butler, 2007 Entries on plot lines and characters, articles on key themes and discussions of artwork, television adaptations, and collaborative work make this the most comprehensive, fascinating, and illuminating companion to the work of Terry Pratchett, one of our most entertaining and greatest writers.

Terry Pratchett Craig Cabell, 2012-06-04 The extraordinary life story of one of the most beloved writers in the world, including his courageous battle with Alzheimer's. With worldwide sales of more than 65 million copies in 37 languages, Terry Pratchett's novels are eagerly awaited by his legions of fans year after year. Featuring an in-depth look at the man and his work, as well as on-screen adaptations and a collector's guide, this is essential reading for any fan. His first Discworld novel, *The Colour of Magic*, was released in 1983, and ever since then the series, with its whimsical heroes and fiendish foes, has delighted both young and old alike. In 2007, Pratchett announced that he had been diagnosed with Alzheimer's disease. He has courageously faced the disease head-on, equaling the determination of his characters in his vivid and satirical novels. This book examines his extraordinary life, showcased against the backdrop of more than 40 years of irreverent artistic achievements. For devoted fans, it features appendices of more than 60 pages listing Pratchett's works on screen and at the theatre, a complete UK bibliography, and a collector's guide, and a note about cats.

Death's Domain Terry Pratchett, 2020-09-10 A Discworld Death series tie-in map book with fold-out map. Go beyond the novels to discover more about the fantastically funny and gloriously inventive world of Terry Pratchett's Discworld series. It's no more than a breath away. Everyone needs a place to relax after a long day, after all. So here is the place where the Grim Reaper can kick back and take the load off his scythe. Here's the golf course that's not so much crazy as insane, and the useless maze and the dark gardens, all brought incongruously to life. And here, for the first time ever, you will find out the reason why Death can't understand rockeries and what happens to garden gnomes. As Death rides

Binky into the sunset of other people's lives you can at last see what he gets up to when he's not at work The Truth Terry Pratchett, 2009-10-13 Pratchett's *The Truth* will set you free and laughing. If Dr Who had been conceived, written and performed by Monty Python's Flying Circus, the result might be something like Discworld. *The Truth* sets its sights on an enduring institution, the news media, and skewers it. CNN Ankh Morpork gets its first newspaper, unleashing a war of words and a battle for the truth in this, in this funny, wise and prescient novel in Sir Terry Pratchett's internationally bestselling Discworld series. The Discworld has seen just about everything. Then comes the Ankh Morpork Times, its first paper of record, edited by struggling scribe William de Worde and staffed by a band of axe-wielding dwarfs and a recovering vampire with a life-threatening passion for flash photography. Reporting the news is a risky business. An ethical journalist, de Worde has a nasty habit of investigating stories that quickly create powerful enemies eager to stop his presses. And what better way than to start *The Inquirer*, a titillating tabloid that conveniently interchanges what's real for what sells. When de Worde gets a tip on a hot story concerning Ankh Morpork's leading patrician, Lord Vetinari, all hell breaks loose, leaving the city without a leader. The facts say Lord Vetinari is guilty. But as William de Worde learns, facts don't always tell the whole story. There's that pesky little thing called the truth. The Discworld novels can be read in any order, but *The Truth* is a standalone. *Discworld and the Disciplines* Anne Hiebert Alton, William C. Spruiell, Donald E. Palumbo, 2014-04-22 This collection of new essays applies a wide range of critical frameworks to the analysis of prolific fantasy author Terry Pratchett's Discworld books. Essays focus on topics such as Pratchett's treatment of noise and silence and their political implications, art as an anodyne for racial conflict, humor and cognitive debugging, visual semiotics, linguistic stylistics, and readers' perspectives of word choice and Derrida and the monstrous Regiment of Women. The volume also includes an annotated bibliography of critical sources. The essays provide fresh perspectives on Pratchett's work, which has stealthily redefined both fantasy and humor for modern audiences. **The Last Hero** Terry Pratchett, 2016-09-01 Pratchett's perceptive and laugh-out-loud Discworld series is a literary phenomenon. And in *The Last Hero*, one aging hero with a grudge decides enough is enough. Beautifully illustrated throughout by Paul Kidby, a brand-new paperback edition of *The Last Hero* featuring a new text design, glorious illustrations by Paul Kidby, and a brand-new cover by artist Leo Nicholls. An enduring, endearing presence in comic literature. Guardian. It stars the legendary Cohen the Barbarian, a legend in his own lifetime. Cohen can remember when a hero didn't have to worry about fences and lawyers and civilisation, and when people didn't tell you off for killing dragons. But he can't always remember these days, where he put his teeth. So now, with his ancient sword and his new walking stick, and his old friends and they're very old friends, Cohen the Barbarian is going on one final quest. He's going to climb the highest mountain in the Discworld and meet his gods. The last hero in the world is going to return what the first hero stole. With a vengeance. That'll mean the end of the world if no one stops him in time. A Stroke of the Pen Terry Pratchett, 2023-10-10 If you read just one of Pratchett's books, you'll want to read everything he wrote. That now includes *A Stroke of the Pen*. Washington Post. A

delightfully funny fantastically inventive collection of twenty newly unearthed short stories by Sir Terry Pratchett the award winning and bestselling author of the phenomenally successful Discworld fantasy series This special trove featuring charming woodcut illustrations is a must have for Pratchett fans of all ages These rediscovered tales were written by Terry Pratchett under a pseudonym for British newspapers during the 1970s and 1980s The stories have never been attributed to him until now and might never have been found were it not for the efforts of a few dedicated fans Though none of the short works are set in the Discworld all are infused with Pratchett s trademark wit satirical wisdom and brilliant imagination hinting at the magical universe he would go on to create Meet Og the inventor the first caveman to cultivate fire as he discovers the highs and lows of progress haunt the Ministry of Nuisances with the defiant evicted ghosts of Pilgarlic Towers visit Blackbury a small market town with weird weather and an otherworldly visitor and embark on a dangerous quest through time and space with hero Kron which begins in the ancient city of Morpork Irresistibly entertaining A Stroke of the Pen is an essential collection from the great Sir Terry Pratchett a master storyteller A S Byatt who defies categorization The Times a writer whose novels have always been among the most serious of comedies the most relevant and real of fantasies Independent UK

Terry Pratchett's Discworld Terry Pratchett,1995-09
