Fairness in Access to Higher Education in a Global Perspective Heinz-Dieter

Meyer,Edward P. St. John,Maia Chankseliani,Lina Uribe,2013-04-20 The purpose of this volume is to help jump start an urgently needed conversation about fairness and justice in access to higher education to counteract the ubiquitous mantras of neoliberal globalization and managerialism The book seeks to carve out a strong moral and normative basis for opposing mainstream developments that engender increasing inequality and market dependency in higher education The book's chapters consider how different national communities channel access to higher education what their implicit social contracts are and what outcomes are produced by different policies and methods The book is essential reading for scholars of higher education and students concerned with increasing inequality in a globalizing educational marketplace

Higher Education in Latin America World Bank,2005 Based on studies of higher education in seven countries Argentina Brazil Chile Colombia Cuba Mexico and Peru the volume identifies opportunities for raising Latin America's profile on the global stage Jacket

Colombia Marcelo Giugale,O. Lafourcade,Connie Luff,2003 Recent political changes in Colombia have opened up possibilities to think beyond the long standing conflict and violence to promote a development agenda based upon economic growth social welfare and environmental protection This publication contains various policy papers which seek to contribute to the national debate on options to address these development challenges The book is intended to provide the incoming Colombian presidential administration with a comprehensive policy discussion regarding the country's development agenda

Education and Social Change in Latin America S. Motta,M. Cole,2013-12-18 This book examines the multiple relationships between education pedagogy and social change in Latin America and beyond through a discussion of critical theory in education and its uses in Latin American society today An international group of contributors discuss both individual countries and the region as a whole

Economic Growth and Poverty Reduction in Colombia Adriana Rocío Cardozo Silva,2010 This book analyses the distributional effects of economic growth on different dimensions of poverty in Colombia It provides a microeconomic perspective on how economic growth affected poverty and inequality at the household level as well as a macroeconomic perspective on the effects of growth on regional living standards The study incorporates

recent discussions on multidimensional analysis of well being and goes beyond traditional income based measures thereby contributing to the ongoing research on how to measure pro poor growth and on the importance of incorporating different dimensions of well being in convergence analysis *Historical Dictionary of the World Bank* Sarah Tenney, Anne C. Salda, 2013-10-30 When it was founded back in 1944 no one could possibly have foreseen how the World Bank known more formally as the International Bank for Reconstruction and Development IBRD would flourish Today with 188 members it is by far the largest lender for projects in agriculture health infrastructure and many other fields in developing countries around the world with a budget of billions of dollars and a staff of more than 9 000 and its advice is usually heeded by both the developing countries which borrow from it and the advanced ones which contribute This second edition of the Historical Dictionary of the World Bank shows the substantial progress the Bank has made this mainly through the dictionary section with concise entries on its component institutions related organizations its achievements in various fields some of the major projects and member countries and its various presidents The introduction explains how the Bank works while the chronology traces the major events over nearly 70 years Meanwhile the list of acronyms reminds us just who the main players are And the bibliography directs readers to useful internal documentation and outside studies *Refugees and Higher Education* Lisa Unangst, Hakan Ergin, Araz Khajarian, Tessa DeLaquil, Hans de Wit, 2020-07-13 Refugees and Higher Education provides a cross disciplinary lens on one American university s approach to studying the policies practices and experiences associated with the higher education of refugee background students The focus is not only on refugee education as an issue of access and equity but also on this phenomenon as seen through the lens of internationalization What competencies are called for among university faculty and staff welcoming refugee background students to their institutional contexts How might distance learning be considered anew These challenges and opportunities for institutional growth will be closely considered by this group of authors from educational leadership social work curriculum development and higher education itself They address key world regions and sub topics ranging from online education in refugee camps to the Brazilian and Colombian responses to the emerging crisis in Venezuela Scholars researching refugee education cross nationally often find that refugee education literature is parsed by disciplinary field This book in contrast offers a comprehensive multi disciplinary overview of refugee education issues around the world These perspectives also provide key insights for faculty and staff at higher education institutions that currently enroll asylees or refugees as well as those that may do so in the future
