The Fall of the Prison Lee Griffith, 1999-01-25 Even as America's prison system is expanding at an unprecedented rate Lee Griffith makes a startling proposal in this book abolish prisons To make his case Griffith thoroughly examines prisons from the perspectives of sociology theology history and biblical exegesis Bolstered with extensive documentation as well as lively anecdotal evidence this compelling radical book is bound to stir up serious discussion

Prison Chaplains on the Beat in US and UK Prisons George Walters-Sleyon, PhD, 2021-08-10 This book is about prison chaplains and their care for aging dying and dead prisoners in the penal systems of the United States and the United Kingdom Since the 18th century prison chaplains have served as priests and pastoral caregivers to prisoners and prison staff The book traces the historical roles of prison chaplains in developing the managerial aspects of prisons focusing on their presence best practices and ways of conceptualizing their prison experiences in the modern prison cultures of the United States and the United Kingdom While prison chaplains have historically provided care to prisoners prison chaplaincy after 1970 has transformed This book shows how prison chaplains face new challenges in caring for prisoners under the penal policies and practices of mass incarceration Prison Chaplains on the Beat demonstrates how prison chaplains have conceptualized the practice of providing pastoral care to aging dying and dead prisoners in the United States and the United Kingdom through a person centered approach The book is both theoretical and empirical The empirical aspect focuses on the prison experiences of 31 prison chaplains from the United States and Scotland The theoretical aspect provides a conceptual understanding of the multi faceted roles of prison chaplains in the United States Scotland and England and Wales As a research in comparative criminal justice it argues that prison chaplains are fundamentally indispensable to prison management practices and managerial theories in the United States Scotland and England and Wales post 1970 Powerfully combines historical and empirical approaches to religion in prisons Brings new understanding of the pastoral and prophetic roles of prison chaplains and launches a searing ethical critique of mass incarceration The comparisons between the United States and Britain are instructive for current and future prison policy in both locations Dr David Grumett School of Divinity University of Edinburgh UK George Walters Sleyon's Prison Chaplains on the Beat offers a new perspective on the predicaments of contemporary penal politics and practices especially their racialized harms Chaplains are both observers of and participants in the contemporary prison scene and their perspective is a special but hitherto under reported one By reconsidering our carceral condition through this lens Walters Sleyon illuminatingly re states the moral and political challenges of mass incarceration Dr Richard Sparks School of Law University of Edinburgh UK

for incarcerated Black men their families and religious social policymakers The book probes the question of what love looks like in a disgusting prison setting and demonstrates how religious and social policymakers can improve rehabilitation initiatives Readers will be inspired to think about prison reform in fresh ways using the Centered Prayer model religious imagination and self help initiatives rooted in historical memory *The Scripture view of Christ preaching to the spirits in prison* rev. Archibald Currie,1871 **Report - British and Foreign Bible Society** British and Foreign Bible Society,1913 Vols 1 64 include extracts from correspondence *Foundational Texts of Mormonism* Mark Ashurst-McGee,Robin Jensen,Sharalyn D. Howcroft,2018-02-16 Joseph Smith founding prophet and martyr of the Church of Jesus Christ of Latter day Saints personally wrote dictated or commissioned thousands of documents Among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of Mormonism usually by focusing solely on content without a deep appreciation for how and why a document was produced This book offers case studies of the sources most often used by historians of the early Mormon experience Each chapter takes a particular document as its primary subject considering the production of a document as an historical event in itself with its own background purpose circumstances and consequences The documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created This book will help historians working in the founding era of Mormonism gain a more solid grounding in the period s documentary record by supplying important information on major primary sources *The Missionary Herald* ,1842 Vols for 1828 1934 contain the Proceedings at large of the American Board of Commissioners for Foreign Missions *The Bible in the World* ,1905 *The Scripture View of Christ Preaching to the Spirits in Prison.
