Log Home Living ,1998-05 Log Home Living is the oldest largest and most widely distributed and read publication reaching log home enthusiasts For 21 years Log Home Living has presented the log home lifestyle through striking editorial photographic features and informative resources For more than two decades Log Home Living has offered so much more than a magazine through additional resources shows seminars mail order bookstore Web site and membership organization That s why the most serious log home buyers choose Log Home Living Testaments in Wood ,1991 The art of an exceptional photographer captures the artistry of the builder in these images of Finnish American farmsteads built around the turn of the century in northern Minnesota Wayne Gudmundson s photographs are marked by the same clarity and simplicity as the traditionally crafted log structures they record The buildings are compelling testaments in wood to the Finnish heritage and the stalwart stubborn spirit of the Embarrass community **Log Construction Manual** Robert Wood Chambers,2003 Log buildings are embedded deeply into North American history and culture For more than one thousand years builders have been weaving logs into homes shelters barns and churches Today however the buildings where we live and work are rarely handmade from natural materials In this context handcrafted scribe fitted natural log buildings are an attractive and uplifting alternative to conventional buildings and building materials This book tells you what you need to know to build your own log home and also reveals the deep rhythms and patterns of log construction Author Robert Chambers shows how to take naturally shaped tapered round logs and scribe fit them one to another so that they look like they actually grew together in the woods The Log Construction Manual is filled with information available nowhere else including the Log Selection Rules Chambers s brilliantly simple method for choosing which log to use next instructions for building hip and valley log rafters and roof trusses from full round logs step by step directions for laying out the sill logs for virtually any floor plan including hexagons prows and more state of the art compression fit saddle notches and underscribing to keep fits tight over time details on scribing and cutting long grooves and corner notches just like the pros and more Chambers also offers advice on organizing and financing a log home project and has loads of experience to share on cutting costs and avoiding common pitfalls He presents practical ideas for saving money and controlling costs Although handcrafted log homes are expensive to buy they are within reach for many as owner managed building projects Written concisely with great care in explaining important details the Log Construction Manual brings clarity insight depth and even humor to the log builder s craft This is a comprehensive book for log home owner builders beginners as well as professionals

Architecture Minnesota ,1991 **Community in Conflict** Gary Kaunonen,Aaron Goings,2013-07-01 A mirror of great changes that were occurring on the national labor rights scene the 1913 14 Michigan Copper Strike was a time of unprecedented social upheaval in Michigan s Upper Peninsula With organized labor taking an aggressive stance against the excesses of unfettered capitalism the stage was set for a major struggle between labor and management The Michigan

Copper Strike received national attention and garnered the support of luminaries in organized labor like Mother Jones John Mitchell Clarence Darrow and Charles Moyer The hope of victory was overshadowed however by violent incidents like the shooting of striking workers and their family members and the bitterness of a community divided No other event came to symbolize or memorialize the strike more than the Italian Hall tragedy in which dozens of workers and working class children died In Community in Conflict the efforts of working people to gain a voice on the job and in their community through their unions and the efforts of employers to crush those unions take center stage Previously untapped historical sources such as labor spy reports union newspapers coded messages and artifacts shine new light on this epic and ultimately tragic period in American labor history **Minnesota History** Theodore Christian Blegen, Bertha Lion Heilbron, 1992 Vol 6 includes the 23d Biennial report of the Society 1923 24 as an extra number *American Book Publishing Record* ,1991 *South Dakota History* ,1992 *Dictionary of Architecture and Building Construction* Nikolas Davies, Erkki Jokiniemi, 2008-06-19 With more than 20 000 words and terms individually defined the Dictionary offers huge coverage for anyone studying or working in architecture construction or any of the built environment fields The innovative and detailed cross referencing system allows readers to track down elusive definitions from general subject headings Starting from only the vaguest idea of the word required a reader can quickly track down precisely the term they are looking for The book is illustrated with stunning drawings that provide a visual as well as a textual definition of both key concepts and subtle differences in meaning Davies and Jokiniemi s work sets a new standard for reference books for all those interested in the buildings that surround us To browse the book and to see how this title is an invaluable resource for both students and professionals alike visit www.architectsdictionary.com **Annals of Iowa** ,2001
