,1973 **Maiden Voyage** Denton Welch,2015-04-07 A moving coming of age novel based on the author s adolescent experiences in China At sixteen Denton Welch was attending school in Derbyshire England One morning instead of taking the train to school he caught a bus traveling in the opposite direction with no real plan except to start a new adventure Although he reluctantly returned to school at his family s bidding he soon received a letter postmarked from Shanghai a letter from his father suggesting that Denton join him China So began a momentous journey that would shape young Denton Welch s life Leaving behind his companions at school as well as the life he had known he traveled across the globe to China where he was seized with a sense of wonder completely new to him It was there so far from his roots that young Denton began to explore his ambitions aspirations and secret desires Written with an artist s keen sensibility for observation and inspired by J R Ackerley s Hindoo Holiday Maiden Voyage is an unforgettable tale of growing up and discovering oneself The Complete Lawn Tennis Player Arthur Wallis Myers,1912 American Lawn Tennis ,1921 *The Tennis Court* Nick Pachelli,2024-08-27 A fresh approach to a beloved sport The Tennis Court is a photographic journey of the 200 most breathtaking tennis courts around the world Nick Pachelli takes us on court in every corner of the world with a sharp eye for what makes our game and the people who champion it so special Billie Jean King sports icon and equality advocate Every one of the world s half a million tennis courts is at its most basic an identical blank canvas a 78 foot by 36 foot rectangle divided by a 3 foot high net in its center and marked with eleven straight lines But add in the elements of surface space wind acoustics crowds shadows humidity and even air density and every tennis court is unique a work of art And some are masterpieces Nick Pachelli curates and profiles 200 of the world s most beautiful iconic significant alluring and idiosyncratic tennis courts from across the globe each breathtakingly photographed He explores the heavyweights including Wimbledon s All England Lawn Tennis Club which employs a hawk to keep stray birds from soiling the meticulous lawns Arthur Ashe the Grandstand and Court 17 in Flushing Queens where hundreds of thousands of tennis fans gather every summer for the US Open And there s Court Philippe Chatrier at Roland Garros whose clay seems to take on a different shade burnt orange burnt red burgundy umber every time you see it We visit far flung treasures such as Waiheke Tennis Club in New Zealand where you ll need to take a plane then a ferry then a car or bus and then walk before arriving there Indoor marvels including the Tennis Club de Belgique which evokes the hushed reverent feeling of a theater with skylights illuminating the court and leaving the spectators in the shadows Hidden jewels such as the tiny Tennis Club San Stin in Venice a secret single outdoor clay court tucked away behind a villa and a 15 foot wall shrouded with vines There are urban courts including the Knickerbocker Field Club deep in the heart of Flatbush Brooklyn Academies like Rafael Nadal s tennis temple in Mallorca Spain And the extreme a single court completely isolated in the wilds of Scotland a court in northern Spain revealed when the tide goes out the sand hardens and the metallic plates that serve as lines reemerge and a court in Kenya made out of termite mounds Throughout Pachelli not only conducts a masterful once in a lifetime tour of the world s best courts but in his

writing does something equally immersive He captures the real passion some might say obsession that tennis inspires Because it s on the court no matter how grandiose or mundane whether in an exotic locale or around the corner where tennis players truly see themselves Where we come face to face with our temperament our drive our frustration our bliss our longing The Tennis Sourcebook Dennis J.
