Brown, Günter Frank, Bruce Gordon, Barbara Mahlmann-Bauer, Tarald Rasmussen, Violet Soen, Günther Wassilowsky, Siegrid Westphal,2019-07-15 The role played by artistic literary historical and theological representations in the establishment of the European Reformation has attracted scholarly attention over the years While they were generally regarded as a significant means of conveying the evangelical message particularly in a society with a low average literacy rate this scholarly consensus was then seriously challenged by objecting that their meaning must have remained opaque to those who couldn t read and interpret their sometimes multilayered imagery and their verbal and figurative messages This volume which publishes some of the papers delivered at the Fourth Reformation Research Consortium Conference held in Bologna May 15th 17th 2014 is an attempt to examine the visual intelligibility of the European Reformation by a comparative multiconfessional and multidisciplinary analysis of examples taken from both the Catholic and the Protestant world in the Early Modern and Modern Era with particular reference to the figurative arts but also to history and theology All the case studies included here examine their peculiar subjects with regard to their religious and artistic contexts in order to understand their historical significance in a new fashion combining approaches from political history history of arts historiography anthropology philosophy and theology Thus the volume offers a very rich outline of how visual culture and representation through arts was embodied in very different cultural portraits and images *Walter Raleigh* Alan

Gallay,2019-11-19 From a Bancroft Prize winning historian a biography of the famed poet courtier and colonizer showing how he laid the foundations of the English Empire Sir Walter Raleigh was a favorite of Queen Elizabeth She showered him with estates and political appointments He envisioned her becoming empress of a universal empire She gave him the opportunity to lead the way In Walter Raleigh Alan Gallay shows that while Raleigh may be best known for founding the failed Roanoke colony his historical importance vastly exceeds that enterprise Inspired by the mystical religious philosophy of hermeticism Raleigh led English attempts to colonize in North America South America and Ireland He believed that the answer to English fears of national decline resided overseas and that colonialism could be achieved without conquest Gallay reveals how Raleigh launched the English Empire and an era of colonization that shaped Western history for centuries after his death **Roman Shakespeare** Coppélia Kahn,2013-04-15 In the first full length study of Shakespeare s Roman plays
