

A black and white portrait of Sir Winston Churchill. He is shown from the chest up, wearing a dark suit, a white shirt, and a dark bow tie. He has a serious expression and is looking slightly to the left. His right hand is resting on a surface, and his left hand is partially visible. The background is out of focus, showing what appears to be a window or a doorway.

Winston Churchill Soldier Douglas S. Russell, 2012-11-19 As a young man Winston Churchill set out to become a hero to make a name for himself in the public eye as a soldier and so make possible a life of politics and statesmanship There were many chances to fail and many close calls in the face of sword spear and bullet along the way Yet Churchill survived and succeeded an early measure of his courage and stubborn will that the world would come to know so well in the Second World War This is the first full length fully researched biography of Churchill s colourful military career Using an unrivalled range of sources and with previously unpublished photographs and detailed maps by Sir Martin Gilbert it brings to life Churchill s motives abilities experiences successes and failures and his unswerving sense of destiny as an officer in the British Army The result is a story to echo the man himself rich in action courage charismatic self belief patriotism and humour Making extensive use of the contemporary accounts of Churchill and his fellow soldiers and archival documents from three continents illustrated with many maps and previously unpublished photographs Douglas S Russell vividly brings to life the military career of the vigorous young officer of hussars who later became the greatest Briton of the twentieth century From Sandhurst to the mountainous North West Frontier of India to the charge of the 21st Lancers at Omdurman from the South African veldt to the deadly trench warfare of

Westminster Abbey Adam Fox, 1972 Bound for the East Indies Andrew Norman, 2020-10-04 The loss of East Indiaman HCS Halsewell on the coast of Dorset in southern England in January 1786 touched the very heart of the British nation Halsewell was just one of many hundreds of vessels which had been in the service of the Honourable East India Company since its foundation in the year 1600 In the normal course of events Halsewell would have been expected to serve out her working life before passing unnoticed into the history books However this was not to be Halsewell's loss was an event of such pathos as to inspire the greatest writer of the age Charles Dickens to put pen to paper the greatest painter of the age J M W Turner to apply brush to canvas and the King and Queen to pay homage at the very place where the catastrophe

occurred Artefacts from the wreck continue to be recovered to this very day which and for variety interest curiosity and exoticism rival those recovered from Spanish armada galleons wrecked off the west coast of Ireland two centuries previously Such artefacts shed further light both on Halsewell herself and on the extraordinary lives of those who sailed in her *In the Mind of Stalin* James Greensmith,2023-04-06 On 1 October 1939 Winston Churchill First Lord of the Admiralty and soon to be the UK's wartime leader described Russia as a riddle wrapped in a mystery inside an enigma The same can certainly be said of Stalin How can this paradox of a man who on the one hand had once exhibited great tenderness and kindness to his daughter Svetlana and on the other sent millions including members of his own family to their deaths be explained It is impossible to quantify the total number of deaths attributable to the policies of Stalin but the Excess Mortality i.e. deaths over and above what would normally have been expected during the period in question gives an approximate figure in excess of 40 million However this is only part of the story of the amount of misery inflicted by the Stalin regime through torture deliberate starvation neglect separation from loved ones cold and hypothermia e.g. in the prisons of Siberia which is unquantifiable and unimaginable Svetlana confessed that she would never undertake to explain what motivated all my father's actions simply because I do not possess the psychological genius of Russian novelist Dostoevsky who knew how to penetrate into another man's soul and examine it from within
