

Sir James Whiteside Mccay

R Sandford

Sir James Whiteside McCay:

Sir James Whiteside McCay Christopher Wray,2002 A biography of Lieutenant General Sir James Whiteside McCay a lawyer politician and General in the First AIF In the course of a successful political career he had been a member of Australia's first federal parliament and while Minister for Defence he had introduced far ranging reforms of the Australian Army's command structure *Our Friend the Enemy* David W. Cameron,2014-10-01 *Our Friend the Enemy* is the first detailed history of the Gallipoli campaign at Anzac since Charles Bean's *Official History* Viewed from both sides of the wire and described in first hand accounts Australian Captain Herbert Layh recounted that as they approached the beach on 25 April that once we were behind cover the Turks turned their fire on us and gave us a lively 10 minutes A poor chap next to me was hit three times He begged me to shoot him but luckily for him a fourth bullet got him and put him out of his pain Later that day Sergeant Charles Saunders a New Zealand engineer described his first taste of battle The Turks were entrenched some 50 100 yards from the edge of the face of the gully and their machine guns swept the edges Line after line of our men went up some lines didn't take two paces over the crest when down they went to a man and on came another line Gunner Recep Trudal of the Turkish 27th Regiment wrote of the fierce Turkish counter attack on 19 May designed to push the Anzac's back into the sea It started at morning prayer call time and then it went on and on never stopped You know there was no break for eating or anything Attack was our command That was what the Pasha said Once he says Attack you attack and you either die or you survive *Sword and Baton Volume 1: 1900 to 1939* Justin Chadwick,2017-02-05 *Sword and Baton* is a collection of 86 biographies representing every Australian Army officer to reach the rank of major general from Federation to the outbreak of World War II This is the first of two volumes and its scope is broad including chaplains general surgeons general and British Army officers who served with the AIF or the permanent forces Author Justin Chadwick's portrayal of these officers' careers provides a lens through which he examines trends such as the development of military skills which ensured that by the commencement of hostilities in 1914 Australia boasted a pool of well trained albeit inexperienced officers The effects of command under pressure of war and the enormous physical impact of combat are likewise portrayed in these comprehensive biographies By the end of hostilities Australian officers had garnered immense experience and were among the best in the Allied forces Ironically this hard won skill base was to be all but lost in the interwar period *Sword and Baton* offers its readers more than a series of biographies Rather it describes a crucial period in Australian military history through the lives of the extraordinary men at its head *British Battle Planning in 1916 and the Battle of Fromelles* Roger Lee,2016-03-09 Despite the substantial output of revisionist scholarship over the last decade reappraising the performance of the British Army on the Western Front during the First World War there still remains a stubborn perception that its commanders were incompetent inflexible and unimaginative Whilst much ink has been spilled vilifying or defending individual commanders or looking for overarching trends and learning curves this is the first work to examine systematically the vertical nature of

command that is the transmission of plans from the high command down through the rank structure to the front line Through such an investigation a much more rounded measure of the effectiveness of British commanders can be gained one moves the argument beyond the overly simplistic casualties to ground gained equation that is usually offered The Battle of Fromelles 19 20 July 1916 was selected as the case study as it was relatively small in scale in the right period and retains sufficient primary sources available to sustain the analysis It also witnessed the first time Australian forces were used in offensive operations on the Western Front and thus looms large in wider Commonwealth perceptions of Bumbling British Generals The book follows the progress of the battle plan from its inception in the strategic designs of the supreme commander down through the various intermediate level commands at operational and tactical headquarters until it became the orders that sent the infantry forward into the attack In so doing it provides a unique insight into the strengths and weaknesses of British command structure allowing a much more scholarly judgement of its overall effectiveness *The Battle of Fromelles 1916* Roger Lee, 2010-06-30 The Battle of Fromelles remains the single bloodiest day in terms of soldiers killed wounded or missing in Australia's military history Remains of soldiers were recently discovered in mass graves in northern France and the final soldier will be laid to rest when a new cemetery officially opens on 19th July 2010 the 94th anniversary of the battle

Haking: A Dutiful Soldier Michael Senior, 2012-04-19 Sir Richard Haking commanded the British XI Corps from 1915 to 1918 mainly in France but also in Italy December 1917 March 1918 This first study of Haking takes the form of a review and analysis of his career as a Corps Commander placing the activities of XI Corps in the context of events on the Western and Italian Fronts It has three aims First it is intended to make a balanced assessment of Haking as a Corps Commander in the light of an established popular reputation which places him firmly in the donkey category of First World War generals The second aim is to examine how Haking carried out his role as a Corps Commander and the third aim is to relate the experiences of Haking and XI Corps to a number of important topics connected with the conduct of the war trench warfare on the Western Front with particular reference to the much criticized attack at Fromelles in July 1916 the British involvement in Italy the relationship with the Portuguese Expeditionary Force in France and the British victories in 1918 Reference is made to several key operating issues such as command and control on the Western Front the learning curve in the BEF the doctrine of the offensive and the British policy on defense in depth Each is discussed taking account of Hakings experiences as XI Corps Commander The study concludes contrary to the general view that overall Haking made a positive contribution to the conduct of the war and that his dismal reputation is largely unjustified *Fred Johns's Annual* Fred Johns, 1914 *Soldiers and Gentlemen* William Westerman, 2017-02-14 In *Soldiers and Gentlemen* Westerman explores the stories of the vitally important yet often forgotten Australian commanding officers **Anzac and Empire** John Connor, 2011-04-11 The story behind the man central to how Australia planned for and fought in WWI **Who's who in the Commonwealth of Australia**, 1922

This book delves into Sir James Whiteside Mccay. Sir James Whiteside Mccay is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Sir James Whiteside Mccay, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Sir James Whiteside Mccay
 - Chapter 2: Essential Elements of Sir James Whiteside Mccay
 - Chapter 3: Sir James Whiteside Mccay in Everyday Life
 - Chapter 4: Sir James Whiteside Mccay in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Sir James Whiteside Mccay. This chapter will explore what Sir James Whiteside Mccay is, why Sir James Whiteside Mccay is vital, and how to effectively learn about Sir James Whiteside Mccay.
3. In chapter 2, the author will delve into the foundational concepts of Sir James Whiteside Mccay. The second chapter will elucidate the essential principles that need to be understood to grasp Sir James Whiteside Mccay in its entirety.
4. In chapter 3, this book will examine the practical applications of Sir James Whiteside Mccay in daily life. The third chapter will showcase real-world examples of how Sir James Whiteside Mccay can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Sir James Whiteside Mccay in specific contexts. This chapter will explore how Sir James Whiteside Mccay is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Sir James Whiteside Mccay. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Sir James Whiteside Mccay.
