don't realize what our bodies need so we eat the wrong foods skip on sleep and deprive our bodies of the movement they crave Overwhelmed by the stresses and the pressures of our lives we take a host of prescriptions never realizing how they might be disrupting our body's innate ability to heal Most insidious of all many of us lack the personal support and the community that we need to feel fully alive Instead we buy into the myth that age means decline A pioneer and internationally recognized expert in integrative and functional medicine Dr Frank Lipman proves that you don't have to feel this way You have a choice In his latest book Dr Lipman breaks through the common myths and misconceptions surrounding aging and dieting and zeroes in on what you need to do in order to feel your very best His two week Revitalize Program brings together key information regarding insulin resistance and carbohydrate intolerance gut and hormonal imbalances sleep disorders medications and supplements and community support and features delicious nutritious recipes to support you along the way handy shopping lists and meal plans simple exercises meditation practices and restorative yoga sequences information about powerful anti aging and digestive supplements and vitamins and more Dr Lipman also offers a lifelong Maintenance Program so that after two life changing weeks you can continue on your path toward ultimate health and wellness for years to come In just two weeks only 14 days you can feel so much better than you ever imagined This is a book that you'll want to share with your family friends and anyone else whose health you care about
