Global Goods and the Country House Jon Stobart , 2023-11-20 Global goods were central to the material culture of eighteenth century country houses Across Europe mahogany furniture Chinese wallpapers and Indian textiles formed the backdrop to genteel practices of drinking sweetened coffee tea and chocolate from Chinese porcelain They tied these houses and their wealthy owners into global systems of supply and the processes of colonialism and empire Global Goods and the Country House builds on these narratives and then challenges them by decentring our perspective It offers a comparative framework that explores the definition ownership and meaning of global goods outside the usual context of European

imperial powers What were global goods and what did they mean for wealthy landowners in places at the periphery of Europe Sweden and Wallachia in the British colonies of North America and the Caribbean or in the extra colonial context Japan or Rajasthan By addressing these questions this volume offers fresh insights into the multi directional flow of goods and cultures that enmeshed the eighteenth century world And by placing these goods in their specific material context from the English country house to the princely palaces of Rajasthan we gain a better understanding of their use and meaning and of their role in linking the global and the local

Fabric for the Designed Interior Frank Theodore Koe, 2017-01-12 Fabric for the Designed Interior Second Edition is a comprehensive text for students and professionals addressing both residential and commercial interiors The book begins by placing fabric in a historic context examining its connection to the growth of civilization Later chapters take a practical approach to provide readers with the tools they need for successfully specifying fabric dealing with environmental and safety concerns understanding fabric and carpet care issues working with bids and contracts and learning strategies for navigating showrooms and fabricating facilities Leading designers fabric manufacturers and suppliers weigh in with their experiences giving readers a clear idea of real world expectations This new edition is updated with expanded coverage on sustainable fabrics more robust and clear instructions on costing an appendix of historic and decorative architectural styles and a revised art program featuring contemporary styles Fabric for the Designed Interior STUDIO an online tool for more effective study Study smarter with self quizzes featuring scored results and personalized study tips Review concepts with flashcards of essential vocabulary Watch videos that bring chapter concepts to life About the Fabric for the Designed Interior STUDIO Videos Access to online instructional videos that show the world of interior textiles in action The viewer will be taken on a tour of the historic Scalmandre 110 000 square foot mill and see how woven and printed fabrics are produced Elements of the tour include design conceptualization and artwork dyeing of yarns warping and weaving on various types of looms The second video takes the viewer to several to the trade showrooms in New York City Viewers will learn practical skills like establishing an account reading tags costing and ordering product Showrooms specializing in both residential and contract fabric are toured PLEASE NOTE Purchasing or renting this ISBN does not include access to the STUDIO resources that accompany this text To receive free access to the STUDIO content with new copies of this book please refer to the book STUDIO access card bundle ISBN 9781501321849 OPTIONAL SWATCH KIT This text also can be used in conjunction with Swatch Reference Guide for Interior Design Fabrics by Deborah Young also available from Fairchild Books Direct access to fabric swatches can enhance understanding of essential details of woven printed and nonwoven fabrics Activities using these fabric swatches can be found at the end of each chapter of this book

English Artists' Paper John Krill, 2002 The author has written a detailed and interesting account of the evolution and types of paper available to artists in England from the Renaissance to the early nineteenth century The first chapter provides the basic information needed to understand hand papermaking and discusses each of the paper types The second chapter

introduces the three major types of paper produced white brown and blue The third focuses on new products especially papers for printing and drawing The last chapter explores the influx of new artists paper that occurred around the year 1800 This second expanded and revised edition has 100 additional pages of text and 100 new illustrations *Labor and Laborers of the Loom* Gail Fowler Mohanty, 2012-11-12 Labor and Laborers of the Loom Mechanization and Handloom Weavers 1780 1840 develops several themes important to understanding the social cultural and economic implications of industrialization The examination of these issues within a population of extra factory workers distinguishes this study The volume centers on the rapid growth of handloom weaving in response to the introduction of water powered spinning This change is viewed from the perspectives of mechanics technological limitations characteristics of weaving skills income and cost In the works of Duncan Bythell and Norman Murray the displacement of British and Scottish hand weavers loomed large and the silence of American handloom weavers in similar circumstances was deafening This study reflects the differences between the three culture by centering not on displacement but on survival Persistence is closely tied to the gradual nature of technological change The contrasts between independent commercial artisans and outwork weavers are striking Displacement occurs but only among artisans devoting their time to independent workshop weaving Alternatively outwork weavers adapted to changing markets and survived The design and development of spinning and weaving device is stressed as are the roles of economic conditions management organization size of firms political implications and social factors contribute to the impact of technological change on outwork and craft weavers *Decorative Arts and Household Furnishings in America, 1650-1920* Kenneth L. Ames, Gerald W. R. Ward, 1989 This bibliography of the study of household furnishings used in the United States from the seventeenth century to the early twentieth century contains twenty one sections Each section begins with an essay that outlines the development of scholarship in the field and points toward new directions for research with annotated entries on the most significant works Three chapters present the basic reference tools and surveys of art and architecture These are followed by chapters devoted to such topics as furniture metals including silver and gold pewter and Britannia metal ceramics and glass textiles timepieces household activities and systems and craftsmen and the Arts and Crafts Movement in America Includes an author title index *Clothing and Fashion* José Blanco F., Patricia Kay Hunt-Hurst, Heather Vaughan Lee, Mary Doering, 2015-11-23 This unique four volume encyclopedia examines the historical significance of fashion trends revealing the social and cultural connections of clothing from the precolonial times to the present day This sweeping overview of fashion and apparel covers several centuries of American history as seen through the lens of the clothes we wear from the Native American moccasin to Manolo Blahnik's contribution to stiletto heels Through four detailed volumes this work delves into what people wore in various periods in our country's past and why from hand crafted family garments in the 1600s to the rough clothing of slaves to the sophisticated textile designs of the 21st century More than 100 fashion experts and clothing historians pay tribute to the most notable garments accessories and people comprising design and fashion The

four volumes contain more than 800 alphabetical entries with each volume representing a different era Content includes fascinating information such as that beginning in 1619 through 1654 every man in Virginia was required to plant a number of mulberry trees to support the silk industry in England what is known about the clothing of enslaved African Americans and that there were regulations placed on clothing design during World War II The set also includes color inserts that better communicate the visual impact of clothing and fashion across eras New York Beauties Jacqueline M. Atkins, Phyllis A. Tepper, 1992 The New York Quilt Project is dedicated to a remarkable group of artists who created a significant body of folk art through the use of traditional tools needle thread and fabric Through tireless handiwork and creative energy they have warmed generations of beds and hearts and in the process have left a magnificent legacy The Museum of American Folk Art has played a leading role for many years in bringing American quilts to the public's attention by collecting and exhibiting them in the United States and abroad Thus it became a mission of the Museum as a New York institution to initiate the New York Quilt Project and locate document preserve and create an archive for the quilts of its home state New York Beauties containing 150 color plates and 56 halftones is the ongoing progress report of the work of the Project and it is the collaborative effort of Phyllis A Tepper director of the Project her co author Jacqueline M Atkins and Lee Kogan Research Coordinator for the Project In addition to its wonderful illustrations New York Beauties provides a fascinating social history of New York State as a stimulating background for a deeper appreciation of the quilts which after all are both documents of history and witness to the lives of ordinary beings for written across their surfaces are stories of personal relationships within families and communities The astonishing art of quilts and their family warmth inevitably touch us all BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
