The Political Economy of the Agri-Food System in Thailand Prapimphan Chiengkul, 2017-05-08 This book adopts a neo Marxist and Gramscian approach to studying the political economy of the agricultural and food system in Thailand 1990 2014 The author argues that hegemonic forces have many measures to co opt dissent into hegemonic structures and that counter hegemony should be seen as an ongoing process over a long period of time where predominantly counter hegemonic forces constrained by political economic structural conditions may at times retain some hegemonic elements Contrary to what some academic studies suggest the author argues that localist inspired social movements in Thailand are not insular and anti globalisation

The Changing Politics of Finance in Korea and Thailand Xiaoke Zhang, 2003-08-29 This book represents the first systematic attempt to explore the financial crisis in an interdisciplinary and comparative perspective and is essential reading for both policy makers and academics interested in national governance

Power and Politics in Thailand Kevin Hewison, 1989
The Politics of Uneven Development Richard F. Doner, 2009-02-09 Why do some middle income countries diversify their economies but fail to upgrade to produce world class products based on local inputs and technological capacities Why have the little tigers of Southeast Asia such as Thailand continued to lag behind the Newly Industrializing Countries of East Asia Richard Doner goes beyond political will by emphasizing institutional capacities and political

pressures development challenges vary upgrading poses tough challenges that require robust institutional capacities Such strengths are political in origin They reflect pressures such as security threats and resource constraints which motivate political leaders to focus on efficiency more than clientelist payoffs Such pressures help to explain the political institutions veto players through which leaders operate Doner assesses this argument by analyzing Thai development historically in three sectors sugar textiles and autos and in comparison with both weaker and stronger competitors Philippines Indonesia Taiwan Brazil and South Korea

The Political Economy of East Asia Ming Wan, 2007-10-17 For students of international political economy it is hard to ignore the growth dynamism and global impact of East Asia Japan and China are two of the largest economies in the world in a region now accounting for almost 30 percent more trade than the United States Canada and Mexico combined What explains this increasing wealth and burgeoning power In his new text Ming Wan illustrates the diverse ways that the domestic politics and policies of countries within East Asia affect the region's production trade exchange rates and development and are in turn affected by global market forces and international institutions Unlike most other texts on East Asian political economy that are essentially comparisons of major individual countries Wan effectively integrates key thematic issues and country specific examples to present a comprehensive overview of East Asia's role in the world economy The text first takes a comparative look at the region's economic systems and institutions to explore their evolution a rich and complex story that looks beyond the response to Western pressures Later chapters are organized around close examination of production trade finance and monetary relations While featuring extended discussion of China Japan South Korea and Taiwan Wan is inclusive in his analysis with coverage including Myanmar Thailand Laos Vietnam Cambodia Malaysia Singapore Indonesia Brunei and the Philippines The text is richly illustrated with more than fifty tables figures and maps that present the latest economic and political data to help students better visualize trends and demographics Each chapter ends with extensive lists of suggested readings

Thaksin Pasuk Phongpaichit, Christopher John Baker, 2004 Thaksin Shinawatra has often been compared to Italy's Silvio Berlusconi Both are fabulously wealthy media magnates who have entered politics And both have a possessive passion for football Berlusconi owns Forza Milan and as many fans note with mixed feelings Thaksin recently attempted to acquire a 30 per cent stake in Liverpool FC But there is more to him than football He became Thailand's prime minister in early 2001 after a landslide election victory in which he promised to think new act new to transform the country's economy and politics Since then Thaksin has been highly popular but also highly controversial Two long standing observers have described him as the best prime minister Thailand has ever had and another grubby businessman This is the first serious study of Thaksin in English It examines where he comes from and what he is trying to do The authors an economics professor and independent author have written several other books on economics politics and current affairs in Thailand
