Desperately Seeking Dad Marta Perry, 2012-01-17 A woman s search for the father of the foster child she longs to adopt leads her to love in this inspirational romance Philadelphia lawyer Anne Morden was a breath away from adopting Emilie the child she had always longed for All that was left to do now was to convince police chief Mitch Donovan to sign

Let Your Heart Grow Mary Lee Going,2014-10-29 The Bible was written long ago in a land we would call foreign and for a people without the Internet Their culture was different Their language was different Their day to day living was different too How could the Bible be relevant to us now The truths we find in the Bible transcend time but if we put them in the language and situations of today they may be more understandable to twenty first century people We can use these biblical truths to identify who we are and who God wants us to be Then we allow God to grow our heart Enjoy reading these contemporary stories that can give you an insight into ageless truths Each devotional in *Let Your Heart Grow* focuses on Godly truths that will help you explore how to live a Christ centered life The devotions are terrific as an individual study but they can also be shared and discussed in a small group setting whether it is a family dinner a youth group gathering or a friends get together They encourage pondering praying and practicing Start becoming a better you with *Let Your Heart Grow*

This Lady Here Carol Ann Rusch,2010-06 This book is one person s travels through a catalogue of nightmare experiences Anyone who has suffered through divorce of any form knows this one Abuse of various natures are present in this autobiography Not so much the cure for but mostly the acceptance of and forgiveness ability The emotional healing process does call for the time element unfortunately However this book tells about different aspects of ways and means to this beautiful end This book is not for people looking for a quick fix or a way out Abstinence from alcohol is a tool which many people have used as a problem solver This book is only one person s life under both chronic inebriation and total abstinence conditions There are many adventures where the reader might question the physical influence under which the author was operating Even without the alcoholic consumption by the author the behavior when compared to the behavior of a well adjusted individual are incredibly different People who have loved or been loved by those who are immediately involved with alcohol or drugs may gain a deeper understanding of the total situation Also the author hopes that some comfort to the reader will take place upon the realization that they are not alone The greatest gift the author has received from life is PEACE ON EARTH
