That Old Ball Game Rare Photographs From Baseball's Glorious Past:

That Old Ball Game : Rare Photographs from Baseball's Glorious Past David R. Phillips (1931-, ed),1975 That Old Ball Game David R. Phillips,1975 **Baseball Photography of the Deadball Era** Jim Chapman,2023-05-31 Winner of the 2024 SABR Larry Ritter Book Award for best Deadball Era baseball book Finalist 2nd Place for 2023 CASEY Award for best baseball book of the year A treasure trove of baseball photographs from the first two decades of the Twentieth Century Baseball Photography of the Deadball Era is not only a visually stunning coffee table book it is a heavyweight history of the game s first photographers and the images they captured and serves as a definitive reference guide for researchers and collectors Doug Skipper chairman of the Larry Ritter Book Award Committee While ostensibly a tool for collectors to identify and authenticate Deadball Era photographs a purpose at which it excels this book is so much more At its heart Baseball Photography of the Deadball Era is the definitive story of the rise of baseball press photographers in the early 20th century and a celebration of the visual splendors of the game they captured Collectors have long admired the artistry of their beautiful sepia toned baseball prints from the early 1900 s These images are visual time machines that transport us back to those halcyon days when we romanticize that baseball was pure What collectors haven t appreciated as they have long been shrouded in mystery are the stories of the men behind the lens and the photo syndicates who distributed their work These Photographers indelible images brought the game from the field to the fans and helped create the baseball legends we still revere This book lifts the veil on their previously untold stories Through extensive research and newfound discoveries the lives of many of the photographic artists and innovators who brought the game to life have been revealed Their stories are as fascinating as those of the more famous men in front of the lens Some names are iconic such as Charles Conlon Some should be such as Frances Burke Dozens more are profiled all in far more detail than has ever been presented before Of course the book contains hundreds of gorgeous rare images of the Deadball Era many never seen before by the public Longtime collectors have generously granted use of their private collections to embellish this story and what a visual feast it is Ty Cobb Babe Ruth Christy Mathewson Shoeless Joe Jackson and other ballyard legends are all here as seen in their glory days Many readers will buy the book for the images alone My hope is they stick around for the stories **The Music of Baseball** George Boziwick,2025-10-14 Since 1858 when the first piece of baseball music was published and performed music has been a constant companion to all aspects of the game amplifying and enlivening the stories and experiences of the fans players performers composers lyricists and music publishers who documented and celebrated the game with music As America was searching for its own musical identity separate from European influences baseball would be riding that same crest into the twentieth century with the song Take Me Out to the Ball Game branding baseball and its music as a popular and cherished American enterprise The partnership of baseball and music would grow stronger through two world wars suffrage women s professional ball racial integration and expansion of the game to the West Coast These historical milestones while familiar

are made startlingly new when viewed and expressed through a musical soundtrack Presented by a professional music librarian this first of its kind history tells the story of baseball through the music that has accompanied it for over a century As the rhythms and personalities of the game continue to change so does its music reflecting America s ongoing love for a game and those who play it *Baseball Books* Mike Shannon,2024-10-14 It is widely and wrongly assumed that books are never so valuable as when they lie unopened before us waiting to be read Good books bear multiple readings and not merely because our memories fail us the desire to repeat a good reading experience can be its own powerful motivation And for bibliophiles books can also be works of art physical objects with an aesthetic value all their own This guide for the book loving baseball fan is written by one of the most knowledgeable collectors in the country author and editor Mike Shannon Beginning with a history of baseball books and collecting it also identifies the most sought after titles and explains how to find them what to pay and how to maintain their condition Christy Mathewson, the Christian Gentleman Bob Gaines,2014-11-20 Nearly a century after his final major league appearance Christy Mathewson is still considered one of the greatest right handed pitchers in the history of baseball Mathewson ranks in the top ten among pitchers for wins shutouts and ERA and in 1936 he was honored as one of the inaugural members of the Baseball Hall of Fame Playing in the early twentieth century Mathewson was the nation s first All American hero a man of Christianity inspiring the values of millions while bringing dignity to a game that had previously been reserved for rougher characters In Christy Mathewson the Christian Gentleman How One Man s Faith and Fastball Forever Changed Baseball Bob Gaines delivers a close and personal look at the extraordinary life and soul of a gifted man living in a unique time After growing up in a loving Christian home and attending Bucknell University under the careful watch of his childhood pastor Mathewson struggled to find his footing in the unsavory world of professional baseball Seen as an intellectual college boy whose shy personality was misinterpreted as an aloof arrogance Mathewson s faith and character were put to the test Through strong will and an unusual partnership with John McGraw a manager his exact opposite in everything but a desire to succeed and a fervent belief in God Christy became the most admired and respected man on his team Christy Mathewson the Christian Gentleman features details on Christy s childhood and college years not documented by other sports historians information discovered by the author in Mathewson s hometown the churches he attended and college archives Including timeless images this book brings to life Mathewson s amazing career faultless character and unwavering faith *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1977 **Baseball: An Illustrated History** ,200? **Whipped Curs and Real Men** Gregory Bond,1999 LJ, Library Journal ,1976
