Seán MacBride

That Day's Struggle

A Memoir 1904–1951

That Days Struggle A Memoir 1904 1951

Bryce Evans

That Days Struggle A Memoir 1904 1951:

The Selection of Ministers in Europe Keith Dowding, Patrick Dumont, 2008-11-19 This volume examines through a series of case studies of countries with differing institutional and cultural structures the process of selection shuffling and removal of ministers in national cabinets since 1945

Seán MacBride Caoimhe Nic Dháibhéid, 2011 One of Ireland's most abidingly controversial political figures Seán MacBride 1904-88 was a youthful participant in the Irish Revolution and an active member of the Irish Republican Army rising through the ranks to occupy a leadership position for fifteen years Seán MacBride is the first book to focus exclusively on MacBride's republican activities on which his controversial reputation in Irish and British political circles rests With extensive use of recently released archival material including Department of Justice records and Bureau of Military History witness statements this book combines a biographical focus with wider assessments of the important themes including the persistence of republican opposition to the state after the Civil War and Ireland's ambiguous experience of World War II

The MacBride Principles Kevin McNamara, 2009-01-01 Published in November 1984 the MacBride Principles were nine proposals aimed at eliminating religious discrimination in the employment practices of United States corporations with subsidiaries in Northern Ireland The federal constitution of the United States allowed states and cities to pass their own corporate legislation incorporating the MacBride Principles and to use their pension fund investments to pressurise corporations into adopting the Principles Using devolved legislation the MacBride Campaign broke the stranglehold on the discussion of Irish issues maintained by the US UK and Irish governments in the Congress Instead these issues were debated in state legislatures and city councils and Irish America was given an opportunity to participate in a non violent campaign to further social justice in Northern Ireland Using interviews with key personalities involved and hitherto unpublished and inaccessible archives of the Department of Foreign Affairs Dublin as well as papers obtained using the Freedom of Information Acts of the United States and the United Kingdom Kevin McNamara maps out the evolution and eventual success of the MacBride Campaign Book Jacket

John A. Costello The Reluctant Taoiseach David McCullagh, 2010-10-08 John A Costello remains the most elusive of our former Taoisigh despite his enormous contribution to Irish history He declared the Republic led the country's first ever coalition government and faced the Mother and Child Crisis A surprise choice who battled against taking the job Costello was the Reluctant Taoiseach Historian and political correspondent David McCullagh charts the life of this fascinating man using his personal archive of papers as well as interviews with former colleagues family and friends McCullagh offers new insights into a political career which stretched from Independence to the end of the 1960s including the Commonwealth Conferences of the 1920s to the new Constitution of 1937 and Governments in the 1940s and 1950s Politician barrister Attorney General politician family man The Reluctant Taoiseach takes a fresh and revealing look at the life of a man at the centre of politics and law during one of the most turbulent periods in Irish history

John MacBride Donal Fallon, 2015-10-12 Major John MacBride who was

Born in Westport County Mayo in 1868 was a household name in Ireland when many of the leaders of the Easter Rising were still relatively unknown figures As part of the Irish Brigade a band of nationalists fighting against the British in the Second Boer War MacBride's name featured in stories in the Freeman's Journal and Arthur Griffith's United Irishman The Major went on to travel across the United States lecturing audiences on the blow struck against the British Empire in South Africa His marriage to Maud Gonne described as Ireland's Joan of Arc led to further notoriety Their subsequent bitter separation involved some of the most senior figures in Irish nationalism MacBride was dismissed by William Butler Yeats as a drunken vainglorious lout Donal Fallon attempts to unravel the complexities of the man and his life and what led him to fight in Jacob's factory in 1916 John MacBride was executed in Kilmainham Gaol on 5 May 1916 two days before his forty eighth birthday

Pawns in the Game: Irish Hunger Strikes 1912-1981 Barry Flynn, 2011-04-14 Between 1917 and 1981 22 Irishmen died on hunger strike Now for the first time the stories of the hunger strikers are chronicled in one book bringing to light previously hidden histories From the deaths on hunger strike of Thomas Ashe in 1917 and Terence MacSwiney in 1920 while imprisoned by the British government to the death in 1981 of Michael Devine the last republican prisoner to die on hunger strike Pawns in the Game teases out the tangled mesh of the politics and psychology of those who adopted this radical protest of last resort and those who allowed them to die It is a story of fanaticism pride and injustice and the indifference of former comrades when power in the Dail beckoned Key interviewees include Gerry Kelly Raymond McCartney Pat Sheehan and Danny Morrison *Michael Collins and the Civil War* Ryle T Dwyer, 2012-07-01 On 14 April 1922 a group of 200 anti Treaty IRA men occupied the Four Courts in Dublin in defiance of the Provisional Government Michael Collins who wanted to avoid civil war at all costs did not attack them until June 1922 when British pressure forced his hand This led to the Irish Civil War as fighting broke out in Dublin between the anti Treaty IRA and the Provisional Government's troops Under Collins supervision the Free State rapidly took control of the capital In *Michael Collins and the Civil War* Ryle Dwyer sheds new light on Collins role in the Civil War showing how in the weeks and months leading to the campaign he secretly persisted with guerrilla tactics in border areas This involved not only assassination but also kidnapping and hostage taking In confronting those tactics on behalf of the British for instance Winston Churchill engaged in similar behaviour including killing and hostage taking But until now much of this has conveniently been swept under the carpet of history *De Valera Volume 1* David McCullagh, 2017-10-20 Eamon de Valera was the single most consequential Irish figure of the twentieth century He was a leader in the Easter Rising the figurehead of the anti Treaty rebels during the dark days of the Civil War and later as the founder of Fianna Fail and president of Ireland the pivotal figure in the birth of the Republic In this the first volume of a magisterial new biography acclaimed historian and broadcaster David McCullagh charts De Valera's vertiginous rise from humble beginnings to electoral victory with Fianna Fail in 1932 Riveting nuanced provocative and humorous it draws on a wealth of new and neglected sources to present a truly ground breaking portrait of de Valera the man his times and his

complex ever shifting legacy David McCullagh combines the investigative skills of an experienced journalist with the detachment of an accomplished historian In this vividly readable and at times gripping biography he tackles head on all of the perennial de Valera controversies including his parentage his role in the 1916 Rising his relationship with Michael Collins his responsibility for the Civil War and his subsequent rise to power and does so with acuity and objectivity McCullagh s range and command of the source material is masterly a comprehensive mature biography both enlightening and entertaining MAURICE MANNING *Ernie O'Malley* Harry F. Martin,O'Malley Cormac,2021-09-24 Sean Lemass Bryce Evans,2011-08-17 Se n Lemass enjoys unrivalled acclaim as the Architect of Modern Ireland Yet there remain great gaps in our knowledge of this mythic figure and his golden age Up to now Lemass a colossus of twentieth century Irish history was airbrushed to fit a narrative of national progress Today this narrative is undergoing an agonising reappraisal This groundbreaking study reveals the man behind the myth and asks questions previously skirted around What emerges is an authoritarian cunning workaholic patriot a shrewd political tactician whose impatience lay not just with the old Ireland but with democracy itself This is the untold story of a great man and his lasting impact on a nation s imagination
