were filled with used or secondhand furniture Our clothes were often hand me downs as were our bicycles scooters wagons baseball bats gloves and toys of whatever type There was very little money floating around in my hometown Nobody I knew or hung out with had much to spread around or to brag about Our parents were tight fisted and so were we It was not just a matter of nickels and dimes even pennies mattered My hometown was not an easy place to be a child or an adult for that matter All was not sweetness and light But it is where I was dropped for better or worse for richer or poorer The word hometown to me is synonymous with friendship I met most of my best friends there in the streets and out on the street corners It is where I learned most of what I think I know It is where I got my values It is where I learned what mattered It is where I learned who mattered I ve taken my hometown and all my old buddies with me wherever I ve gone They have served me well In these pages and books I ve done my best to share all my old pals with all of you I do hope that these stories and the knowledge of That Old Gang of Mine will serve you as well as they have served me Cheers
