That's how much I love you

If You were a horse-fly, And I an old grey mare

I'd set and let you bite me, And I'd never move a hair

I'd set and let you bite me, And I'd never move a hair

'Cause that's how much I love ya, honey

That's how much I love you

If you were a tiger, I'd hang around your den

I'd pester you my darlin', until you let me in

I'd pester you my darlin', until you let me in

Thats How Much I Love You:

Caught Janice Singleton,2015-01-23 All my life Ive had a love for control In order to have control I needed money It started out from something as simple as an allowance If it wasnt given to me I found a way to get it Hell I was filling my little Gerber baby food jars with all the coins that I could get my hands on at an early age The sound of the money clinking against the glass thrilled me Somehow I understood that what I had in my hand was power and I wanted it all the time I was becoming a master of money before I even mastered multiplication Ive always excelled at anything that I made up my mind to do From grade school through high school I had no problems academically I graduated college had a successful business and entered into the positive career field of law enforcement I was extremely blessed but greed got the best of me while climbing my way to the top of the economic ladder Then there I was living it up in Laughlin Nevada in a clean brown Armani suit to match my complexion wearing jewelry that could pay someones mortgage for a year enjoying the high life in the City of Lights and Chances Everything was so exciting every moment so electric and I was clueless that the ground beneath me was caving in As I placed another bet eyes glazed over in anticipation waiting for the big money hit I was oblivious to the fact that my quiet secure humble home and my business were being surrounded for a raid How foolish and greedy could I have been to let it get this far Now there was no way out I was caught

Tales of the Windships Donald K. Pendleton,2009-02-05 In the midst of a technological age a strange and menacing phenomenon rains upon the Earth changing people into mindless savages While governments around the globe unite to combat this spreading infection airships of the 1930 s are redesigned and reintroduced to the world Because of the vessel s size and its capability to stay airborne for weeks at a time it is regarded as the next innovation for cruise ship vacation travel industries while environmentalists envision it as a solution to the world s overpopulation problem The windship proves its worth when the stricken become organized and rise up against the world It is then the windship becomes a reckoning force and Earth s only hope for survival [Harlequin Medical](#)
