Atkinson, 2020-01-07 The Lion's Den PB By Frank B Atkinson The Lion's Den is essential reading for anyone whose confidence in American democracy has been shaken by recent events There is plenty to discourage and alarm us these days the supply of negative political role models real and fictional seems endless Frank Atkinson leaves no doubt that we can do better and be better Just in time it seems he arrives with some exemplary political characters a powerfully uplifting story and a summons to get to work restoring the ethic of principled citizenship and service that reflects the better angels of our nature and offers hope for bringing Americans together again LARRY J SABATO Director UVA Center for Politics The Lion's Den offers a prescription for American renewal at a time of eroding confidence in our political institutions and growing confusion about our national purpose In Frank Atkinson's formulation there are no quick fixes for our broken politics no easy cure for what ails our democracy A republic's community spirit and capacity for constructive self-governance depend on a consensus about essential values and the active choice to practice promote and perpetuate those values The ethic of principled citizenship and service that Atkinson considers indispensable for American renewal is not an inherited trait like every ethic it is a character requiring cultivation
