Thats Us:

I Wish I Knew That: U.S. Presidents Editors of Reader's Digest, 2012-02-14 Here is a look at the fascinating profiles of each of the 43 presidents including the names of their pets Sidebars are filled with fun and unusual information about our leaders such as who appears on stamps and money and At a Glance boxes provide birth date political party and other vital information including that Thomas Jefferson our third president spoke six languages invented many things the swivel chair and the pedometer to name two and designed and built not only Monticello his rural home but also the University of Virginia Theodore Roosevelt was one of the nation's great hunters and the Smithsonian is filled with hundreds of specimens from his safari in Africa He was also our first environmentalist president setting aside nearly 200 million acres for national parks and wildlife refuges You'll also find a section on The First Ladies short takes on all the presidents' wives The book ends with a special feature that's just in time for the 2012 election how a president gets elected From the first presidential election to recent recounts this chapter clearly explains to a young audience how we choose the next leader of our country Includes over 100 whimsical illustrations

Stabilizing Iraq: DOD Cannot Ensure That U.S.-Funded Equipment has Reached Iraqi Security Forces, **Decorated Lettering** Jan Pickett, 2016 *Troubling Nationhood in U.S. Latina Literature* Maya Socolovsky, 2013-06-26 This book examines the ways in which recent U.S. Latina literature challenges popular definitions of nationhood and national identity It explores a group of feminist texts that are representative of the U.S. Latina literary boom of the 1980s 1990s and 2000s when an emerging group of writers gained prominence in mainstream and academic circles Through close readings of select contemporary Mexican American Puerto Rican and Cuban American works Maya Socolovsky argues that these narratives are remapping the United States so that it is fully integrated within a larger hemispheric Americas Looking at such concerns as nation place trauma and storytelling writers Denise Chavez Sandra Cisneros Esmeralda Santiago Ana Castillo Himilce Novas and Judith Ortiz Cofer challenge popular views of Latino cultural unbelonging and make strong cases for the legitimate presence of Latinas/os within the United States In this way they also counter much of today's anti-immigration rhetoric Imagining the U.S. as part of a broader Americas these writings trouble imperialist notions of nationhood in which political borders and a long history of intervention and colonization beyond those borders have come to shape and determine the dominant culture's writing and the defining of all Latinos as other to the nation

Foreign Relations of the United States, 1951: European security and the German question, 1977 **Foreign Relations of the United States, 1950: The United Nations; the Western hemisphere**, 1976 *FCC Record* United States. Federal Communications Commission, 1991 **The American Occupation of Australia, 1941-45** John McKerrow, 2013-07-26 Over 120,000 American troops were stationed in Australia during the Second World War Hundreds of thousands more passed through the country between 1941 and 1945 Because of Japan's conquest of the Philippines in 1942 Australia was transformed into the principle base for the United States Army in the Southwest Pacific This American

occupation of an allied country resulted in several areas of tension between friends The examination of these fault lines which have for the most part received little attention from historians is the purpose of this book Jurisdictional and policing disputes and problems between Australian workers and American authorities are examined American personnel committed thousands of crimes during the occupation many of which were notorious How Australians reacted to these crimes and how the American military sought to limit their negative effect on wartime relations is a major focus of this book How the US military tried to protect GIs from prosecution by spiriting them out of Australia is also explored Other areas of tension such as race and gender relations which have been looked at by other historians are examined in a new light this book provides novel insights and challenges the existing historiography with regard to relations between black Americans and Australian civilians How leaders on both sides in particular Douglas MacArthur and John Curtin managed crises and relations between civilians and GIs are studied Sexual relations an area of particular concern for authorities were directed towards short term flings and prostitution In contrast authorities did all they could to discourage long term relations i e marriage Authorities obsessed over interracial sexual relations and doubled efforts to discourage them Conflicts between American personnel and Australian civilians during the occupation did not threaten the alliance against Japan Nevertheless there were myriad problems between allies that led to friction and ill will These problems demanded management from above *East Asia And The Pacific* Robert G. Sutter, 2019-03-04 As the cold war ends the United States is being forced to reassess the dominant role it has played in East and Southeast Asia and the Pacific during the decades that followed World War II Bringing readers up to date on policy trends in the area the author provides a general overview as well as detailed analyses of key issues in individual nations and regions The author concludes by placing these regional developments in the context of the ongoing debate in the United States over an appropriate foreign policy in the post cold war world *Toward A North American Community?* Donald Barry, 2019-06-17 The North American Free Trade Agreement NAFTA is a milestone in the affairs of the continent and in international trade The first formal arrangement of any kind between Canada the United States and Mexico it is also the first trade pact including countries of such disproportionate power and levels of development For Canada and Mexico the agr
