Carter**

The 82 Kenyan Military Coup:

The 82' Kenyan Military Coup Fredrick K. Wambua,2003 The 82 Kenyan Military Coup is a summary of events that took place in Kenya from the eyes of a victim It starts with the dreams of a young man aspiring to be a soldier It talks about the challenges he underwent through in the recruitment process and in military training The author talks about how he participated in an attempted Military Coup and narrowly escaping death Whereas the book deals with personal experiences and survival in prison it is a testament of inner strength and triumph over adversity relying on mental toughness *The 82' Kenyan Military Coup* Fredrick K. Wambua,2003 The 82 Kenyan Military Coup is a summary of events that took place in Kenya from the eyes of a victim It starts with the dreams of a young man aspiring to be a soldier It talks about the challenges he underwent through in the recruitment process and in military training The author talks about how he participated in an attempted Military Coup and narrowly escaping death Whereas the book deals with personal experiences and survival in prison it is a testament of inner strength and triumph over adversity relying on mental toughness Kenya Daniel Branch,2011-11-15 On December 12 1963 people across Kenya joyfully celebrated independence from British colonial rule anticipating a bright future of prosperity and social justice As the nation approaches the fiftieth anniversary of its independence however the people s dream remains elusive During its first five decades Kenya has experienced assassinations riots coup attempts ethnic violence and political corruption The ranks of the disaffected the unemployed and the poor have multiplied In this authoritative and insightful account of Kenya s history from 1963 to the present day Daniel Branch sheds new light on the nation s struggles and the complicated causes behind them Branch describes how Kenya constructed itself as a state and how ethnicity has proved a powerful force in national politics from the start as have disorder and violence He explores such divisive political issues as the needs of the landless poor international relations with Britain and with the Cold War superpowers and the direction of economic development Tracing an escalation of government corruption over time the author brings his discussion to the present paying particular attention to the rigged election of 2007 the subsequent compromise government and Kenya s prospects as a still evolving independent state **Historical Dictionary of Modern Coups d'état** John J. Chin,Joseph Wright,David B. Carter,2022-12-13 For readers interested in international relations politics and global issues Library Journal Starred Review The Historical Dictionary of Modern Coups d tat surveys the history of coups d tat in the post World War II period The term modern in the title therefore demarcates the period since January 1946 This book documents over 582 coup attempts that have occurred in 108 different countries worldwide over a period of 75 years Historical Dictionary of Modern Coups d tat contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 400 cross referenced dictionary entries This book is an excellent resource for students and researchers *Global Security Watch—Kenya* Donovan C. Chau,2010-04-15 An original study on the strategic dimensions of Kenya encompasses in depth examinations of the Kenya Armed Forces political and military relations with key

neighboring countries and Kenya's crucial strategic relationship with the United States. Kenya plays a key role in the conflicts between the Western and Islamic worlds, making a grasp of its politics, international relations, military services, and security status an important study. Global Security Watch: Kenya provides a thorough introduction to the security issues facing the modern-day nation, offering policymakers, researchers, and general readers a window into this globally important sub-Saharan country. This expert analysis is the first to examine the strategic dimensions of Kenya and the political and military circumstances that have shaped the country. Following an overview of Kenya's history, geography, and politics, the book explores the development of the Kenya Armed Forces, Kenya's critical relations and security issues in Greater East Africa, particularly with Tanzania, Uganda, and Somalia, and the country's strategic relations with the United States. Drawing on objective historical and contemporary research, interviews with influential figures, and his own first-hand experiences, the author underscores Kenya's enduring strategic importance and offers recommendations on policy decisions. **The**

Overthrow of Robert Mugabe Blessing-Miles Tendi, 2025-01-21. *The Overthrow of Robert Mugabe: Gender Coups and Diplomats* argues the 2017 coup that ousted long-time Zimbabwean president Robert Gabriel Mugabe and the generality of coups cannot be accurately and rigorously understood without examining the crucial role of gender and women's politics in military seizures of power. Tendi's book shows that gender and women's politics pervade military coup causes, dynamics, justifications, and international responses to coups. Contrary to influential representations of Zimbabwe's 2017 coup and other recent coups as markedly different from past coups, Tendi draws on long-gendered histories of military coups in Africa to argue that there are significant continuities in coup characteristics across time. Additionally, Tendi's highly original study of Zimbabwe's 2017 coup identifies the motives, dynamics, and trigger of the coup. Despite the existence of an international anti-coup norm and democracy promotion in Africa by Western states, Zimbabwean coup makers' direct intervention in politics was largely not publicly condemned or penalized by Western and African diplomats. Tendi uses original interviews with diplomats and politicians involved in external responses to the coup to address this important puzzle. **Kenya 1982, the**

Attempted Coup James Waore Diangá, 2002. An account of the failed coup in Kenya in 1982 and of the author's role in it.

Forging Military Identity in Culturally Pluralistic Societies Daniel Zirker, Thomas Stubbs, 2015-10-08. Ethno-politics has become a major force in the post-Cold War era. The fundamental challenge to military establishments in deeply plural societies is the formation of institutional unity from diverse ethnic groups. This edited volume examines seven case studies of countries that have attempted with varying degrees of success to develop or to begin to develop within their military establishments a single quasi-ethnic military identity to effect unity within their ranks and attenuate the deep and often violent ethnic divisions that otherwise would pertain. The volume compares contrasting outcomes in two African regions: West Africa with the contrasting cases of Guinea and Nigeria, and East Africa with the cases of Tanzania, Uganda, and Kenya. It also examines the very different cases of Algeria and Suriname. In most of these cases, the emergence of a single unified quasi-

ethnic identity is in its earliest stages although rapid global change points to the likelihood that this pattern will prevail

Kenya and the Politics of a Postcolony Wanjala S. Nasong'o, 2024-08-06 This book sets out to probe explore and evaluate the betrayal of anticolonial nationalism in Kenya Contemporary Kenya's emergence is rooted in the colonial enterprise its deleterious effects and the subsequent decolonization spearheaded by a fierce anti colonial nationalism that was embodied in freedom struggles at the cultural political and military levels As a settler colony the colonial settlers hived off millions of hectares of the best land in the highland areas of Kenya and appropriated them for themselves thereby generating a large mass of the landless This land alienation constituted one of the most deeply felt grievances which together with the exclusivist exploitative and oppressive colonial system inflamed anti colonial nationalism that undergirded the struggle for independence The expectation on the part of the masses was that independence would bring about social justice restitution of the stolen lands and a government based on the will and aspirations of the governed Political developments soon after independence however demonstrated the extent of betrayal of the cause of anti colonial nationalism which has remained the reality to date This book covers the extent of this sense of betrayal from the time of independence to the present It begins by locating contemporary Kenya within the colonial context then proceeds to thematic issues of betrayal including the fall out between President Kenyatta and Vice President Odinga over ideology and issues of development which constituted the first betrayal the scourge of bureaucratic corruption and rent seeking the question of land and associated historical injustices and electoral malpractice since the return of multiparty politics in 1992 to the most recent elections of 2022 The implications of these dynamics for the future of the Kenyan polity are delineated and discussed *The Oxford Handbook of Kenyan Politics*

Nic Cheeseman, Karuti Kanyinga, Gabrielle Lynch, 2020-02-14 Kenya is one of the most politically dynamic and influential countries in sub Saharan Africa Today it is known in equal measure as a country that has experienced great highs and tragic lows In the 1960s and 1970s Kenya was seen as a success story of development in the periphery and also led the way in terms of democratic breakthroughs in 2010 when a new constitution devolved power and placed new constraints on the president However the country has also made international headlines for the kind of political instability that occurs when electoral violence is expressed along ethnic lines such as during the Kenya crisis of 2007-08 when over 1 000 people lost their lives and almost 700 000 were displaced The Oxford Handbook of Kenyan Politics explains these developments and many more drawing together 50 specially commissioned chapters by leading researchers The chapters they have contributed address a range of essential topics including the legacy of colonial rule ethnicity land politics devolution the constitution elections democracy foreign aid the informal economy civil society human rights the International Criminal Court the growing influence of China economic policy electoral violence and the impact of mobile phone technology In addition to covering some of the most important debates about Kenyan politics the volume provides an insightful overview of Kenyan history from 1930 to the present day and features a set of chapters that review the impact of devolution on regional politics

in every part of the country
