

The Abolitionist

Tim McNeese

The Abolitionist:

The Abolitionist Movement Claudine L. Ferrell, 2005-12-30 The abolitionists of the 1830s 1850s risked physical harm and social alienation as a result of their refusal to ignore what they considered a national sin contrary to the ideals upon which America was founded Derived from the moral accountability called for by the Great Awakening and the Quaker religion the abolitionist movement demanded not just the gradual dismantling of the system or a mandated political end to slavery but an end to prejudice in the hearts of the American people Primary documents illustrations and biographical sketches of notable figures illuminate the conflicted struggle to end slavery in America Some called them fanatics others called them liberators and saints Immeasurable though their ultimate impact may have been the abolitionists of the 1830s 1850s risked physical harm and social alienation as a result of their refusal to ignore what they considered a national sin contrary to the ideals upon which America was founded Derived from the moral accountability called for by the Great Awakening and the Quaker religion the abolitionist movement demanded not just the gradual dismantling of the system or a mandated political end to slavery but an end to prejudice in the hearts of the American people Claudine Farrell's concluding essay draws parallels between the abolitionists struggles and the Civil Rights movement of the 1950s 1970s demonstrating the significant amount of ground being gained in a still unfinished war Five narrative chapters explore the abolitionist movement's religious beginnings the conflict between moral justice and union preservation and the revolts divisions and conflicts leading up to the Civil War Biographical portraits of such notable figures as Frederick Douglass William Lloyd Garrison and the Grimke sisters supplement the discussion and selections from some of the most influential documents in American history including the Emancipation Proclamation the US Constitution and The Writings of Thomas Jefferson provide actual historical evidence of the events Twelve illustrations a chronology index and extensive annotated bibliography make this an ideal starting point for students looking to understand the battle for and against slavery in America *William Lloyd Garrison (1891)* Archibald H. Grimke, 2020-07-17 Reproduction of the original William Lloyd Garrison 1891 by Archibald H Grimke *The Abolitionist Movement* Tim McNeese, 2007 Discusses the abolitionist movement in the United States from the time of the slave ships to the end of the Civil War *The Abolitionist Decade, 1829-1838* Kevin C. Julius, 2004-11-10 The years between America's founding and the cusp of the Civil War are often overlooked in discussions of America's struggle over slavery The conflagration that nearly destroyed the country did not ignite quickly but was the culmination of a long smoldering debate that saw significant developments in those intervening decades In particular the period from 1829 to 1838 witnessed the growth of the Abolitionist movement begun by determined visionaries bent on bringing the evils of slavery to the forefront of America's consciousness and ending a glaring injustice Attacked by their opponents scorned by both sides for their missionary zeal often relegated to a footnote in history the Abolitionists were key in shaping the argument over slavery and bringing America's greatest internal struggle to its conclusion This examination of the Abolitionist movement presents a year

by year outline of the period from 1829 to 1838 chronicling the growth of the Abolitionists as a social and political group By giving an overview of other important occurrences each year it depicts the movement in a broader context cementing relationships between seemingly disparate elements of American history and giving the movement its full due in the struggle to end slavery The Abolitionist Movement, Revised Edition Tim McNeese, 2019-07-01 The abolitionist movement which was a campaign to end the practice of slavery and the slave trade began to take shape in the wake of the American Revolution In the years leading up to the Civil War the movement continued to gain strength largely due to the determination of such leaders as William Lloyd Garrison Frederick Douglass Harriet Tubman and John Brown The Abolitionist Movement Revised Edition is a thorough exploration of this seminal movement in American history By offering readers numerous photographs insightful text a chronology a bibliography and suggestions for further reading this eBook makes the people and events associated with abolitionism come alive in a potent yet accessible manner Dismantling Slavery Nilgun Anadolu-Okur, 2024-01-12 In her perceptive and instructive study of abolitionist discourse Anadolu Okur revisits the formative ten years of the Frederick Douglass William Lloyd Garrison collaboration and friendship that did much to shape their abolitionist witness and to encourage a more direct abolitionist rhetorical style among an ever widening compass of men and women activists and writers in America and England In Anadolu Okur s telling the rhetorical relationships translated into radical thinking that transcended personal rivalries and reform priorities and transformed abolitionism Anyone wanting to know the symbiosis of abolitionist style and substance will learn much from Anadolu Okur s insights She shows why words mattered and still do Randall M Miller Saint Joseph s University In 1841 William Lloyd Garrison and Frederick Douglass formed a partnership that would last a decade and forever change the abolitionist movement Throughout the stages of their extraordinary alliance anti slavery mobilization was accelerated reaching its height between 1841 and 1851 Centering their arguments on emancipation women s equality and suffrage the two men worked tirelessly to publicize and recruit for their cause Their work initiated a new discourse of social reform and critique positioning the abolition of slavery at the center of progressive social concerns throughout the first half of the nineteenth century Dismantling Slavery is the first book to address these two giants of abolition Douglass and Garrison simultaneously While underscoring the evolution of abolitionist discourse Dismantling Slavery unveils the true nature of the friendship between Douglass and Garrison a key ingredient often overlooked by scholars Drawing on the writings speeches and experiences that shaped the two as abolitionists Nilgun Anadolu Okur s groundbreaking study is one account of the ways in which abolitionist discourse was shaped and put to the purposes of moral and democratic reforms In addition to turning a close eye on the relationship between Douglass and Garrison Anadolu Okur also details significant developments that occurred in tandem among other abolitionists and activists of the era making for a compelling account of this pivotal decade in American history up until the dissolution of Garrison and Douglass s partnership Dismantling Slavery represents a significant interdisciplinary contribution

to the study of abolitionist discourse and will appeal to a wide range of nineteenth century scholars NILG N ANADOLU OKUR is an associate professor of African American Studies at Temple University in Philadelphia where she specializes in African American literature theater and the history of Underground Railroad She is the author of Contemporary African American Theater Afrocentricity in the Works of Amiri Baraka Larry Neal and Charles Fuller and the editor of Essays Interpreting Writings of Novelist Orhan Pamuk and Women Islam and Globalization in the Twenty First Century **The Abolitionist Movement** Christopher Cameron,2014-07-23 Intended for high school and undergraduate students this work provides an engaging overview of the abolitionist movement that allows readers to consider history more directly through more than 20 primary source documents The Abolitionist Movement Documents Decoded collects primary sources pertaining to various aspects of the American anti slavery movement in the 18th and 19th centuries and presents these firsthand sources alongside accessibly written expert commentary in a visually stimulating format Making use of primary source documents that include pamphlets articles speeches slave narratives and court decisions the book models how scholars interpret primary sources and shows readers how to critically evaluate the key documents that chronicle this major American movement The work begins with an essay that contextualizes the documents and guides readers toward perceiving the narrative that comes into focus when the seemingly disparate elements are read as a collection Annotations throughout the book translate difficult passages into lay language suggest comparisons of key passages and encourage the reader to cross reference documents within the volume This book will illuminate American abolitionism and U S history prior to the Civil War while helping readers improve their ability to analyze and interpret primary source information a key skill for both high school and undergraduate level students **The Abolitionist's Journal** James Richardson,2022-10 The author raises questions about why the fervent commitment to the emancipation of African Americans was nearly forgotten by his family exploring the racial attitudes in the author s upbringing and the ingrained racism that still plagues our nation today **The Abolitionist's Daughter** Diane C. McPhail,2020-08-25 In her sweeping debut Diane C McPhail offers a powerful profoundly emotional novel that explores a little known aspect of Civil War history Southern Abolitionists and the timeless struggle to do right even amidst bitter conflict On a Mississippi morning in 1859 Emily Matthews begs her father to save a slave Nathan about to be auctioned away from his family Judge Matthews is an abolitionist who runs an illegal school for his slaves hoping to eventually set them free One a woman named Ginny has become Emily s companion and often her conscience and understands all too well the hazards an educated slave must face Yet even Ginny could not predict the tangled tragic string of events set in motion as Nathan s family arrives at the Matthews farm A young doctor Charles Slate tends to injured Nathan and begins to court Emily finally persuading her to become his wife But their union is disrupted by a fatal clash and a lie that will tear two families apart As Civil War erupts Emily Ginny and Emily s stoic mother in law Adeline each face devastating losses Emily sheltered all her life is especially unprepared for the hardships to come Struggling to survive in this raw shifting

new world Emily will discover untapped inner strength an unlikely love and the courage to confront deep painful truths McPhail s first novel sheds light on an often unrecognized part of Civil War history For fans of Charles Frazier s enduring Cold Mountain Booklist **The Abolitionist's Secret** Becky Lower,2012-12-03 In 1856 New York Heather Fitzpatrick a bashful abolitionist falls for young Army lieutenant David Whitman who is tracking a runaway slave the very slave she and her parents rescued from the hands of the slavemongers a few nights earlier Despite their divergent views on slavery romance ensues when David dances with Heather at the Cotillion Ball and later that night walks her home An engagement quickly follows When he receives word that his father is ailing David wants her to accompany him home to Savannah to meet his family Heather wants to make the trip with him especially since his father s death seems imminent With her maid as chaperone they board the train heading South After his father passes his mother insists any marriage will have to wait the requisite year which is proper for mourning She hopes to send Heather home for the year and to use the time to dissuade David from his foolish choice especially since his mother has already handpicked his potential bride from a neighboring plantation Heather longs to stay to wait out the year and to begin teaching the slaves how to read and write since she knows those accomplishments will be needed when slavery comes to an end But she knows the South is no place for an abolitionist Sensuality Level Sensual

The Abolitionist Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has been evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **The Abolitionist**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall impact on readers.
