Long Black Song

Houston A. Baker,1990 Houston Baker maintains that black American culture grounded in a unique historical experience is distinct from any other and that it has produced a body of literature that is equally and demonstrably unique in its sources values and modes of expression He argues that black American literature is rooted in black folklore animal tales trickster slave tales religious tales folk songs spirituals and ballads and that a knowledge of this tradition is essential to the understanding of any individual black author or work To demonstrate the continuity of this tradition Baker examines themes that appear in folklore and persist throughout contemporary black literature Freedom and Apocalypse for example traces the idea that black Americans are a chosen people who will by some violent means overthrow the white man's tyranny The essays culminate in an examination of the life and work of Richard Wright Baker's treatment of Wright as a black American artist who recorded the black man's shift from an agrarian to an urban setting places Wright and the tradition of black literature and culture in a fresh perspective
