9 Habits of Happiness David Leonhardt, 2013 Self actualization Psychology *Happiness: The Habits of Exceptionally Happy People - A Powerful Approach to Happiness* Ingrid Lindberg, True happiness is an inside job Look at a happy person's life and you don't see any magic or unicorns There's nothing in them that isn't also in you Though external realities can certainly play a role happiness doesn't spring from what you have what happens to you the situation you are in where you are or anything else In fact if it was easy to be happy this book would be a very short one Happiness doesn't have much to do with money with achievement or with possessions because plenty of people have all three and are still not happy

In this guide we'll approach happiness not as something you have but something you actively do each and every day.
