

The background of the image is a crumpled American flag. The stars and stripes are visible, but the fabric is heavily wrinkled and folded, giving it a textured, three-dimensional appearance. The colors are slightly muted due to the lighting and the crumpling effect.

Healing For The Soul Jerron C. Hill M.D., 2023-08-23 *Healing for the Soul* a moving and inspiring collection of contemporary poems composed by Dr Jerron C Hill gracefully and thoughtfully addresses modern day challenges common to believers and non believers alike Following a supernatural encounter with the Lord Jesus Christ in 1984 at the age of 23 Dr Hill subsequently became a devoted follower In 2009 he experienced a vision of himself writing poetry shortly before awakening from sleep and proceeded to write eleven poems that very same weekend as well as numerous other compositions for two years thereafter The author was not however released by God at that time to publish these poems In August of 2020 the Holy Spirit inspired Dr Hill to once again begin writing poetry and he found himself composing these works with a passion and fiery dedication that strongly mimicked the way an evangelist would fervently deliver a Sunday morning sermon The poems demand attention compelling the reader to engage in personal introspection and reflection and enjoining each person to place hope in the prospect of not only a meaningful life lived today but for the promise of lasting goodness and eternity as well Each composition culminates in a heartfelt plea to trust in Jesus and repent from sin The author makes it clear both through his own journey and the wisdom of Scripture that Jesus changes lives heals the brokenhearted and resuscitates broken relationships Many people today feel lost confused and even hopeless By immersing oneself in the beauty and power of Dr Hill's enlivening words one will come to the unequivocal awareness that Christ is the answer and way to approach and surmount life's difficulties Eternity is forever and God is inviting everyone to be born again by accepting his son's sacrifice on the cross *Healing for the Soul* will inevitably leave the reader pondering the most pressing question of all time Where will you spend eternity With the help of this uplifting compilation the answer to that question will reveal itself to all who choose to hear their message

Ramsis F. Ghaly MD,2022-03-31 In the final days of Christmas 2019 I had an epiphany I will never forget that night when I cried out as I saw a vision of that little Since then I have felt so dismal and would rather bury my head in the sand No matter where I go and how fast I run I can t forget that dream or catch that invisible little anymore I found myself running away and I couldn t help it I would ask myself To whom should I report to What is the remedy other than running away These questions have brought me to author the fourth book on COVID 19 This series has covered the world s journey experiences and views since it all began It was just a little and wasn t much Before I knew it it had infected the world entirely It was supposed to pass by swiftly with little to be done Then it proceeded to be remedied by a face mask for two weeks followed by just one dose of a vaccine All the while the nightmare never ended The little invader of human cells crept in unnoticed in the darkness and left imprinted memories for generations to come It has changed our day to day lives for more than two years shaped our daily living and will affect our future for decades to come The little wasn t the least as the world thought and was indeed ignored as many downplayed its sharp spikes until it killed millions and infected hundreds of millions The world is living in tears and terrors broken hearted and in fear What is next I would ask myself as it appears it is only getting worse as the news of wars and economic collapse are already at our door To make things grave many forever lost But now lessons must be learned and
