The Heritage Foundation Arms Control Handbook:

Arms Control Handbook The Heritage Foundation, W. Bruce Weinrod, 1987 *Security and Arms Control: A guide to international policymaking* Edward A. Kolodziej, Patrick M. Morgan, 1989 This two volume comprehensive guide is organized around the assumption that national and international security and arms control studies are interdisciplinary in nature Volume 2 clarifies and defines selected current issues and problems from an international perspective The chapters look at the scope of the emerging field of security and arms control studies as a serious field of systematic inquiry they serve as a critical review and evaluation of the most important literature within each sub field The chapters identify major problems key concepts methods disciplinary approaches intellectual styles and data sources Security and Arms Control Volume 2 is organized by sub field First contending contemporary perspectives on the international system itself as the source of conflict and war are presented The various facets of nuclear deterrence including implications for the possible use of nuclear weapons follow The focus then shifts to conventional military power in the system including arms transfers The incidence of subconventional or low intensity conflicts including the practice of and possible responses to terrorism is analyzed The book concludes with strategic arms control nuclear proliferation and the study of crisis decision making Security and Arms Control Volume 2 can be used as a text as well as serving as a valuable guide to the study of international and national security and arms control Interested students and policy makers will find valuable material for their studies and research *The INF Treaty* United States. Congress. Senate. Committee on Foreign Relations, 1988 *Arms Control and Disarmament, Defense and Military, International Security, and Peace* Stephen E. Atkins, 1989 **The INF Treaty: March 22, 23, 24, 28, 29, and 30, and May 16, 1988** United States. Congress. Senate. Committee on Foreign Relations, 1989 *Arms Control Today*, 1987 **Arms Control, Disarmament and International Security**, 1987 Korea North Army Weapon Systems Handbook Volume 1 Strategic Information and Major Weapon Systems IBP USA, The Advancement of Liberty Matthew C. Price, 2007-12-30 This book is a counterpoint to the prevailing view that the United States is an imperialist nation that has violently pursued power in the world to advance its own narrow interests The basic theme is that at the dawn of the 20th century there were six democracies in the world but by century s end democracy was ascendant This epic historical transformation has been thanks in great measure to the vision and sacrifices made by Americans Matthew C Price examines the great conflicts of the 20th century showing how American democratic principles have utterly reshaped global values and politics The defeat of fascism and imperialism in World War II led to the Marshall Plan the single most influential rebuilding program in human history The fostering of democracy in Japan the establishment of the UN and the fall of the Soviet Union reshaped the world in unforeseen ways America has dedicated itself to democracy in the Middle East to democratization in China and to the larger quest for the spread of liberal democratic principles worldwide even when the struggle is difficult dangerous and ongoing Early in the century Woodrow Wilson said that America should make the world safe for democracy In

taking up that challenge the United States changed human history **The INF Treaty: February 1, 2, 3, 4, and 5, 1988**
 United States. Congress. Senate. Committee on Foreign Relations, 1988 *Routledge Handbook of Nuclear Proliferation and Policy* Joseph Pilat, Nathan Busch, 2015-05-15 This new Handbook is a comprehensive examination of the rich and complex issues of nuclear proliferation in the early 21st century The future of the decades long effort to prevent the further spread of weapons of mass destruction is at a crossroads today If international nonproliferation efforts are to be successful an integrated multi tiered response will almost certainly be necessary A serious thorough and clear eyed examination of the range of threats challenges and opportunities facing the international community is a necessary first step This Handbook which presents the most up to date analysis and policy recommendations on these critical issues by recognized leading scholars in the field intends to provide such an examination The volume is divided into three major parts Part I presents detailed threat assessments of proliferation risks across the globe including specific regions and countries Part II explains the various tools developed by the international community to address these proliferation threats Part III addresses the proliferation risks and political challenges arising from nuclear energy production including potential proliferation by aspiring states and nonstate groups This Handbook will be of great interest to students and practitioners of nuclear proliferation arms control global governance diplomacy and global security and IR general **The Cumulative Book Index**, 1989 A world list of books in the English language NATO for a New Century Carl C. Hodge, 2002-10-30 NATO s military interventions in the Balkans have transformed the alliance As the alliance goes East its members are compelled to rethink NATO s and each member nation s military and political roles Providing a well rounded study of continuing change in the contemporary North Atlantic Treaty Organization this book is constructed around eight essays by European security experts analyzing challenges confronting the Atlantic Alliance as a military alliance and as a collective security organization dealing simultaneously with deterrence enlargement and regional crisis intervention It is intended for senior undergraduate and graduate students in international relations American foreign policy European studies security and strategic studies The evidence is that NATO will undergo many more changes responding to actual and potential threats to Europe s peace These range from a revival of the ethnic conflict in the former Yugoslavia to the proliferation and possible use of nuclear biological and chemical weapons Also discussed is the matter of NATO s further enlargement and the question of whether this offers more or less security to the alliance membership as are the emerging tensions between the EU and NATO security regimes
