Moments, Metaphors, Memories Kausik Bandyopadhyay,Souvik Naha,2021-05-13 As the most popular mass spectator sport across the world soccer generates key moments of significance on and off the field encapsulated in events that create metaphors and memories with wider social cultural psychological political commercial and aesthetic implications Since its inception as a modern game the history of soccer has been replete with events that have changed the

organization meanings and impact of the sport The passage from the club to the nation or from the local to the global often opens up transnational spaces that provide a context for studying the events that have defined the sport and its followers Such defining events can include sporting performances decisions taken by various stakeholders of the game accidents and violence among players and fans and invention of supporter cultures among other things The present volume attempts to document identify and analyse some of the defining events in the history of soccer from interdisciplinary and comparative perspectives It revisits the discourses of signification and memorialization of such events that have influenced society culture politics religion and commerce This book was originally published as a special issue of the journal Soccer Society *Face to Face* Kausik Bandyopadhyay, 2021-03-30 While rivalry is embedded in any sporting event or performance soccer the world's most popular mass spectator sport has been an emblem of such rivalries since its inception as an organized sport Some of these rivalries grow to become long term and perennial by their nature extent impact and legacy from the local to the global level They represent identities based on widely diverse affiliations of human life locality region nation continent community class culture religion ethnicity and so on Yet at times such rivalries transcend barriers of space and time where soccer clubs nations personalities organizations styles and fans float and compete with intriguing identities The present volume brings into focus some of the most fascinating and enduring rivalries in the world of soccer It attempts to encapsulate analyse and reconstruct those rivalries between nations between clubs between personalities between styles of play between fandoms and between organizations in a historical perspective in relation to diverse identities competing ideologies contestations of power psychologies of attachment bonds of loyalty notions of enmity articulations of violence and affinities of fan culture some of the core manifestations of sporting rivalry The chapters in this book were originally published as a special issue of Soccer Society British Sport - A Bibliography to 2000 Richard Cox, 2014-02-04 Volume two of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian *Sunset on Hibs* David Duff, 2025-10-02 If you think you know everything there is to know about Hearts owner Wallace Mercer's bid to buy Hibs think again Stunning new light is cast on one of Scottish football's biggest ever stories Alan Pattullo David Duff was Chairman of Hibernian at the most extraordinary time in its history In 1990 Heart of Midlothian chief Wallace Mercer pushed for a merger of the two Edinburgh clubs But instead of creating one united Edinburgh team capable of challenging the Old Firm it became abundantly clear that these machinations would see Hearts flourish and Hibs destroyed With internal shareholders wanting to sell out the end seemed inevitable David Duff had other ideas Joining forces with outraged fans he spearheaded boardroom resistance against this takeover which would have meant the end of the club they loved For the first time Duff tells the explosive inside story of the plot to destroy Hibernian and the real motivations of those behind it Featuring some of the best known names in Scottish business and football it is a riveting tale of double dealing greed and betrayal

No Foreign Game James Quinn, 2023-08-03 From its earliest days association football was seen not just as a contest between individuals and teams but also between nations and peoples The Irish national team was among the first in the world to participate in international competition in the early 1880s but not everyone accepted it as a truly national entity Sport in Ireland was disputed ground in a manner that was not the case elsewhere even the term football itself was a contested one But soccer followers generally found no contradiction between their sporting and national loyalties and the game found an important niche in Irish life supported by many leading nationalists from James Connolly to John Hume This book provides a unique window into the history of Ireland and Britain with keen insights into the making of national regional sectarian class and gender identities that crystallised around Irish soccer Taking the story from the 1870s up to the present it examines the domestic as well the international game in Ireland North and South and sets both in a richly detailed historical and cultural context It also examines the experience of Irish communities in England and Scotland and the ways in which the game affected their relationship with their host societies Carefully weaving together political social cultural and sporting history *No Foreign Game* tells a story not just of division and conflict but also one of solidarity and celebration and in doing so it breaks new ground in the history of Irish sport *Hibernian* Tom Wright, 2017-12-15 CDATA Hibernian Football Club founded by a group of Edinburgh based Irishmen and Irish descendents was born in the Cowgate area of the city in 1875 A team of the people its long history heritage and rise to fame has created a tradition and influence that helped shape the game as we know it today In *Hibernian The Life and Times of a Famous Football Club* Tom Wright looks at Edinburgh's Hibernian Football club from its birth in 1875 to the present day An anecdotal and personal journey this volume highlights the many challenges and lows and highs experienced by the team and its dedicated fans over the last 142 years exploring the events that shaped the club from both World Wars Hibs Famous Five days the European Cup and the Scottish Cup win in 2016

Not a History of Deacon Brodie Byron Brodie, 2020-05-14 A fun book full of short personal thoughts facts reminiscences observations and verse A healthy dose of Edinburgh and Leith references are included although just about everywhere between Tierra del Fuego and Australia seems also to get a mention There's Only One Sauzee Ted Brack, 2011-10-06 When Alex McLeish persuaded European legend Franck Sauze to sign for Hibernian Football Club in February 1999 it was the club's biggest coup since the signing of George Best Many people questioned the Gallic Great's motivations afraid that he was merely coming to pick up his salary and quietly see out his distinguished career They could not have been more wrong From his very first game Franck Sauze embraced the Hibs culture and quickly won over the fans He proved that he was still a great footballer and helped to lead his new team from the mediocrity of the Scottish First Division back to the heights of the Scottish Premier League Sauze became club captain inspired his team mates scored many unforgettable goals took Hibs to a Scottish Cup Final and became a club legend An ill fated spell as the club's manager saw the end of Sauze's Hibernian career but he left the club as one of its best loved and most revered players Now Ted Brack takes fans behind the scenes to

document the highs and lows of the days when Le God graced Easter Road With inside stories from directors managers players and supporters this is a must read book for Hibs fans of all ages who still treasure the memory of Franck Sauze Hibernian superstar
