Catherine M.C. Haines,2001-11-20 A comprehensive biographical guide to the scientific achievements personal lives and
struggles of women scientists from around the globe International Women in Science A Bibliographical Dictionary to 1950
presents the enormous contributions of women outside North America in fields ranging from aviation to computer science to
zoology It provides fascinating profiles of nearly 400 women scientists both renowned figures like Florence Nightingale and
Marie Curie and women we should know better like Rosalind Franklin who along with James Watson and Francis Crick
uncovered the structure of DNA Students and researchers will see how the lives of these remarkable women unfolded and
how they made their place in fields often stubbornly guarded by men overcoming everything from limited education and
professional opportunities to indifference ridicule and cultural prejudice to outright hostility and discrimination Included are
a number of living scientists many of whom provide insights into their lives and scientific times Those contributions plus
additional previously unavailable material make this a volume of unprecedented scope and richness **Return to the Far**
Side of Planet Moore! Martin Mobberley,2015-03-20 The result of an exhaustive study of Sir Patrick Moore s observations
of the Moon and planets for more than 60 years this book is a fantastic companion to the extremely popular It Came From
Outer Space Wearing an RAF Blazer written by the same author Moore recorded his telescopic observations in his logbooks
which are reproduced and described here in detail along with his sketches and notes In this light the author discusses the
factors that caused Moore to switch from lunar observing to planetary and variable star observing He has also included
personal recollections and humorous anecdotes from Moore s friends and acquaintances as well as a look at his best loved
books Further chapters describe Moore s foreign travels and correspondence with those back home Lastly the author has not
neglected a few of Moore s most memorable television and radio appearances which are examined along with a close up of
what it was like to visit Moore s beloved home of Farthings in Selsey Essentially this is a book written by popular demand
from the readers of the author s original biography who craved more of Moore **Boating ,1977-01**
