Rajaram alias Pandit R V Jadhav and Ganrasila Pandit Pandurang alias P V Jadhav were reputed darbar gayaks and distinguished direct disciples of Sangeetratna Ustad Abdul Karim Khan who pioneered the prolific Kirana gharana khayal vocal tradition of this golden era. They all gained individual recognition and fame and are still legendary. The visionary and benevolent ruler of the erstwhile Kolhapur State, Shrimant Chhatrapati Maharaja Rajarshi Shahu, the saintly king, honoured Pandit Vishwanathbuwa Jadhav by officially appointing him as the darbar gayak of Kolhapur State. Later, the enlightened ruler Nalwadi Maharaja Krishnaraj Wodaiyar of Mysore State bestowed upon Pandit Vishwanathbuwa Jadhav the coveted title Proudh Gandharva, a seasoned mature celestial singer. The virtuous ruler of Kolhapur Chhatrapati Maharaja Rajaram III accorded Proudh Gandharva and his acclaimed vocalist sons the sobriquet The Gandharva Parivar of Karveer Nagar. The Family of Celestial Singers of Karveer Nagar or Kolhapur. Pandit Vishwanathbuwa Jadhav was officially also instated as Rajgayak, principal state musician of Sangli State, by Shrimant Rajasaheb Chintamanrao Dhundirajrao Appasaheb II Patwardhan of Sangli State. As darbar gayak, he also received the patronage of Shrimant Rajasaheb Ganpatrao Madhavrao Bapusaheb Patwardhan of Kurundwad State. A Short Sketch of the Early History of the Town & Island of Bombay, Hindu Period Purushottam Balkrishna Joshi, 1902 **India today international**, 2001-04 *The Prostitute's Daughter* Juliet Philip, 2014. Kamada, whose mother Tara is a prostitute solicited by wealthy men in Mumbai, prefers to live in her own world of magic where her imagination shields her from her reality. She is on a mission to escape the streets of the city and her mother's house which feels like a prison. Only her magical friends, a parrot, astrologer who tells of the future, and a neighbouring family know that her dream is to leave home to study in America, for which she has been conscientiously making arrangements, studying for the GRE, collecting all the necessary documents and taking care of the finances. As she plans her escape, the 16-year-old's world is turned upside down when her mother reveals a secret, adding to the many upheavals already assailing her teenage mind. Will her dream and the future she envisages for herself in a faraway land come true? Praise for *The Prostitute's Daughter*. While reading this book, I was wishing I could reach out to Kamada and tell her that everything will be okay in the end. A lovely bit of writing. Maria Goretti, author, food blogger, and former MTV VJ. Kamada's means of escape is the blue folder she carries everywhere. She also escapes via her own imagination which conjures fantasy creatures everywhere, animates the fruits at vending stalls, and lends voices to the city's potholes. It's this overlay of fantasy, always evocatively but matter-of-factly interwoven with the real world narrative that lends the book its greatest charm. The sheer manic detail of it all speaks

eloquently of Kamada's fever pitch desperation for a new life and its resolution at the book's end is touchingly bittersweet An extremely memorable and winning tale of the perseverance dreams require Kirkus Reviews Juliet Philip loves magic white feathers faeries wine the sound of the rain glowworms ponies majestic elephants fresh coffee dance waterfalls castles both real and in the air rainbows blowing bubbles deep belly laughs the smell of wet earth and creating things She likes to make books drawings doodles banana bread fish curry in coconut milk silly randomness magic and connections with people and the universe Her stories are based in enchanting India because she grew up there Talking Points A heartwarming tale about making dreams come true Evocative of a teenager's struggle in trying circumstances A moving portrayal of unlikely friendships and escapist imaginations Worldwide readership market Lovers of young adult and general fiction commercial fiction readers general trade readers

Ideogram Laszlo K. Géfin, 2014-07-03 The ideogram changed the course of modern American poetry and Ideogram is the first history of this important poetic tradition In modern poetry the ideogram is an idea presented to the reader by means of the juxtaposition of concrete particulars usually without connective words or phrases The poem is therefore presented in precise images usually very tersely and free from conventional form and meter The idea of presenting a concept in this manner derives in part from Ernest Fenollosa's essay The Chinese Character as a Medium for Poetry the Chinese written character itself being a juxtaposition of pictographs to form a new meaning Ezra Pound's search for an alternative to traditional forms of verse composition resulted in his use of the ideogrammic method which Laszlo K G fin asserts became the major mode of presentation in twentieth century American poetry Two generations of avant garde experimental poets since Pound have turned to it for inspiration evolving their own methods from its principles G fin begins by tracing the development of Pound's poetics from the pre Imagist stage through Imagism and Vorticism to the formulation of the ideogrammic method He then examines the Objectivist poetics of Louis Zukofsky Charles Reznikoff and George Oppen the contributions to the ideogrammic tradition of William Carlos Williams and the Projectivist theories of Charles Olson Robert Duncan and Robert Creeley He concludes with an exploration of Allen Ginsberg's theory of the ellipse and Gary Snyder's

riprap method Throughout G fin maintains that the ideogrammic mode is the literary representation of the twentieth century post logical even post humanist world view Among Contemporary Musicians Susheela Misra,2001 Collection of articles on the life and works of the music maestros of India with interviews includes brief biographical sketches
