Conspiracy Theories in the United States and the Middle East Michael Butter,Maurus Reinkowski,2014-02-27 Conspiracy Theories in the United States and the Middle East is the first book to approach conspiracy theorizing from a decidedly comparative and interdisciplinary perspective Whereas previous studies have engaged with conspiracy theories within national frameworks only this collection of essays draws attention to the fact that conspiracist visions are transnational narratives that travel between and connect different cultures It focuses on the United States and the Middle East because these two regions of the world are entangled in manifold ways and conspiracy theories are currently extremely prominent in both The contributors to the volume are scholars of Middle Eastern Studies Anthropology History Political Science Cultural Studies and American Studies who approach the subject from a variety of different theories and methodologies However all of them share the fundamental assumption that conspiracy theories must not be dismissed out of hand or ridiculed Usually wrong and frequently dangerous they are nevertheless articulations of and distorted responses to needs and anxieties that must be taken seriously Focusing on individual case studies and displaying a high sensitivity for local conditions and the cultural environment the essays offer a nuanced image of the workings of conspiracy theories in the United States and the Middle East

Rutherford,2022-05-28 In *The Harp of God Proof Conclusive That Millions Now Living Will Never Die* J F Rutherford presents a profound exploration of biblical prophecies and the promise of resurrection This theological treatise is characterized by its persuasive rhetoric and meticulous scriptural analysis drawing heavily on both the Old and New Testaments to construct a compelling case for the imminent transformation of human existence Rutherford weaves together historical context and exegetical insights positioning his arguments within the broader discourse of early 20th century religious thought notably Jehovah's Witnesses teachings while also challenging contemporary Christian doctrines on the afterlife J F Rutherford as a prominent leader and theologian of the Jehovah's Witnesses movement was

Handbook of Scripture and early Oriental chronology John TURNER (of Glasgow.), 1854 **The Beautiful Story** Thomas De Witt Talmage, 1888 The Royal Family Bible ... , 1862 **The Jewish War** Josephus, 2017-02-10 I am Josephus I myself fought against the Romans In August of AD 70 the city of Jerusalem was destroyed by Roman forces after a six month siege This was the disastrous outcome of a Jewish revolt against Roman domination which began in AD 66 with some early success but soon became mired in factional conflict The war ended in the destruction of the famous Jewish Temple rebuilt by Herod the Great a century before The remarkable story of the war is narrated by an eye witness and participant Josephus He was at first a rebel commander then after his capture supported Titus in the final assault on Jerusalem Josephus spares no detail of a horrific conflict atrocities on both sides the reign of terror in Jerusalem the appalling conditions of the siege and the final mass suicide at Masada His vivid narrative is our prime source for this period of history It is a dramatic story with

resonances to the present day *The Irony of Power* Dorothy Jean Weaver, 2017-06-21 This volume engages the Gospel of Matthew in full awareness of its inherently political character Weaver situates Matthew's version of the good news of the kingdom squarely within the real world of first century Palestine and its occupying power the Roman Empire The essays here focus prominently and collectively on the issues of power and violence that not only pervade the historically occupied Jewish community of first century Palestine but also are clearly visible throughout Matthew's narrative account A lower level reading of the Matthean text offers a bleak portrait of the overwhelming power and violence exerted by the Roman occupying authorities and their upper echelon Jewish collaborators against the wider Jewish community of first century Palestine But an upper level God's eye reading of Matthew's narrative consistently reveals the fundamental irony at the heart of the New Testament as a whole of the Jesus story broadly conceived and of Matthew's narrative account in specific This irony overturns all humanly recognized definitions of power and demonstrates the astonishing politics of God which defeats evident power through apparent powerlessness and overcomes violence through nonviolent initiatives *The Three Pillars* Barbara J. Sivertsen, 2010-05-10 *The Three Pillars* How Family Politics Shaped the Earliest Church and the Gospel of Mark examines how family relationships played a key role in the earliest Christian church By disentangling the two disparate genealogies of Jesus the author reconstructs the families of Joseph and Mary Presented here for the first time is the full ancestry of Jesus mother Mary who was descended from the anti Hasmonean high priest Alcimus The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church's earliest leadership struggle and that a composite of these two women not Mary Magdalene was the basis for the Gnostic Mary of later Christian works The author next explores how this early leadership conflict shaped the Gospel of Mark which she argues was written by Peter's son She discusses Mark's footprint in this Gospel and how Mark's resentment of the relatives of Jesus his ambivalence toward his father and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel features that have perplexed biblical scholars and laymen for centuries The last section examines the mysterious Beloved Disciple in the Gospel of John The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem The book's final chapter offers reflections on how kinship played an important role in Jesus ministry and how the high priestly leadership responded to him in part because of his family lineage *The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth* Dr. Solomon Udo Solomon, 2016-03-31 *The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth* Vol II by Dr Solomon Udo Solomon The theme of *The Testimony of the Son of Man* is the restoration of the everlasting Gospel of the Kingdom of God on Earth as was brought down by Yeshua the Lamb of Yahweh for the redemption of the entire humanity The impetus to write this series of books came to the author by a dream of inspiration In that dream Dr Solomon

Udo Solomon was directed to preach only what Jesus taught the world Dr Solomon went through the Synoptic Gospels first then the Epistles of the accredited witnesses and finally the Book of Revelations Dr Solomon s understanding was quickened Finally he decided to read the letters of Saul of Tarsus He saw a whole world of contradictions from what Jesus as the Son of Man taught the world Dr Solomon then understood why the Lord laid emphasis on what He Himself taught the world as well as the very essence of the mandate given to him Dr Solomon understood the need to inform the world of his revelations This is in keeping with what Jesus Himself said And this Gospel of the Kingdom shall be preached to all nations as a witness against them and then shall the end come The Gospel of the Kingdom which is the Gospel of Lawfulness and Peace is what Jesus Himself taught the world in His words examples and customs The present messages in churches and other organizations are composites of wheat and tares because of their choice to flout the Lord s order in the Gospel of Matthew Chapter 28 verse 20 under the purported inspiration of their false prophet This work is in strict consistency with the mandate that was given to Dr Solomon The readers will know that there was a gross distortion of the Mission of Yeshua the Lamb of Yahweh to the world especially His actual work of redemption The cross of the murderers which is being extolled has no contribution to make for the redemption of mankind This work is intended to free those who care to accept it from the sin of accomplice which has constituted a plague to the whole world The false information peddled by the false prophet will eventually be discarded to pave way for the New World Order which rests squarely on what the Lamb of Yahweh bequeathed to the world This is the much needed foundation for the Lord s return to set His Millennial Government on Earth This work shall awaken the consciousness in the elects to preach only what the Lord Himself taught the world notwithstanding the temptation to believe and propagate the unscriptural letters of Saul of Tarsus
