Sir Philip Sidney And The English Renaissance

John Buxton

Sir Philip Sidney And The English Renaissance:

Sir Philip Sidney And The English Renaissance John Buxton, 1988-01-26 **Sir Philip Sidney and the English Renaissance, by John Buxton,...** John Buxton, 1954 *Sir Philip Sidney and the English Renaissance. 2nd Ed* John Buxton, 1964 *Sir Philip Sidney and the English Renaissance. [With Plates, Including a Portrait.]* John Buxton, 1954 *Sir Philip Sidney and the English Renaissance. [With Plates, Including Portraits.]* Edward John Mawby Buxton, 1964 **Sir Philip Sidney and the English Renaissance** Edward John Mawby Buxton, 1954 *Writing After Sidney* Gavin Alexander, 2006-12-07 This book examines the literary response to Sir Philip Sidney the most immediately influential writer of the Elizabethan period It does so by looking closely at Sidney and at four writers who had an important stake in his afterlife his sister Mary Sidney his brother Robert Sidney his best friend Fulke Greville and his niece Mary Wroth *Sidney in Retrospect* Arthur F. Kinney, 1988 Four hundred years after his death on a Dutch battlefield Sir Philip Sidney is being honored with international conferences across the United States and in Europe One of the three master writers of the English Renaissance along with Shakespeare and Spenser Sidney gave to his own time the first sonnet sequence in English and the best English defense of poetry ever written His book *Arcadia* the first novel in English was the best selling English novel for two hundred years In our own time he is seen unlike his contemporaries as a writer whose political life at Elizabeth's court and whose diplomatic and religious ties to the leading rulers of Europe make the interrelationship of his work and his culture singularly important in the present reassessment of his age Sidney in Retrospect a special quatercentenary volume brings together for the first time the landmark essays from English Literary Renaissance that reinterpret the significance of his life and reassess all of his major work In addition two newly discovered letters appear in book form for the first time

Sir Philip Sidney and the Interpretation of Renaissance Culture Gary F. Waller, Michael D. Moore, 2024-02-29 First published in 1984 *Sir Philip Sidney and the Interpretation of Renaissance Culture* is a collection of essays which reflect the diversity of contemporary approaches to the controversial figure of Sir Philip Sidney and range from the historicist to the revisionist Interest in the work of Sir Philip Sidney in the cultural significance of his Circle in the late Elizabethan age and the following years has always been a subject of interest Ever since Sidney's friend Fulke Greville saw his early death as a watershed in English history the place of this aristocratic poet in literary cultural and even popular tradition has been momentous Elevated to mythological status by his contemporaries who survived he has not lost his power to attract and charm readers of all kinds This book will be of interest to students of literature and history **The Making of Sir Philip Sidney** Edward Berry, 1998-12-15 Does a poet make himself or do his culture and his fiction make him Sir Philip Sidney is one of the most popular and enduring of Elizabethan authors and one of those most preoccupied with the relationship between self society and art Edward Berry's *The Making of Sir Philip Sidney* explores how Sidney made or created himself as a poet by making representations of himself in the roles of some of his most literary creations Philisides Astrophil and the

intrusive persona of the Defence of Poetry Focusing on the significance of these and other self representations throughout Sidney s career Berry combines biography social history and literary criticism to achieve a carefully balanced portrayal of the poet s life and work This is a book that makes a significant contribution to our understanding of Sidney and is likely to appeal to both students and scholars of Sidney as well as to those wishing to understand the cultural events that shaped this central figure of the English Renaissance Electronic Format Disclaimer Figure 2 removed at the request of the rights holder
