Sisters On A Journey:

Friendship Jessie Seneca, 2016-06-04 The ride through life is better with friends Friendship Sisters for a Journey will help you discover the secret to authentic friendship through meaningful and purposeful relationships Sometimes it might look a little messy and other times glorious but God uses all styles and seasons of friendships to grow and stretch us into better friends sisters mothers daughters aunts grandmothers and any other roles we fill We are never beyond the age of learning more about one of the greatest gifts God has given us Friendship With discussion questions at the end of each chapter biblical application and real life examples this book will help you be the friend you desire to be **Sisters on a Journey**

Penfield Chester, 1997 Twenty seven midwives share their views on the challenges and rewards of helping women through childbirth **Culture in Mind** Bradd Shore, 1998-10-29 Despite the recognized importance of cultural diversity in understanding the modern world the emerging science of cognitive psychology has relied far more on experimental psychology neurobiology and computer science than on cultural anthropology for its models of how we think In this exciting new book anthropologist Bradd Shore has created the first study linking multi culturalism to cognitive psychology exploring the complex relationship between culture in public institutions and in mental representations In so doing he answers in a completely new way the age old question of whether humans are basically the same psychologically independent of cultures or basically diverse because of cultural differences The first half of the book emphasizes cultural models from Australian Aboriginal rituals and Samoan comedy skits to more familiar terrain including a study of baseball as a cultural model for Americans Along the way the author sheds new and novel light on many familiar institutions from educational curricula and shopping malls to modular furniture and cyberpunk fiction These observations are then linked to theoretical developments in linguistics semiotics and neuroscience creating a bold new approach to understanding the role of culture in everyday meaning making The author argues that culture must be considered an intrinsic component of the human mind to a degree that most psychologists and even many anthropologists have not recognized This new position of cultural models will make absorbing reading for psychologists anthropologists linguists and philosophers and to anyone interested in the issues of cultural diversity multiculturalism or cognitive science in general Scheherazade's Sisters Marilyn Jurich, 1998-08-20 Based on the author's discovery of a new folktale type the female trickster Jurich's book identifies and celebrates those female protagonists in folktales who use trickery to save themselves and others to find new directions for their lives and to declare their individual autonomies especially in societies that diminish and oppress women Through creative strategies depending on verbal facility psychological acuity and diplomatic know how these women tricksters better named trickstars uncover the absurdity hypocrisy and corruption in the larger patriarchal society Through the trickstar's efforts the system is circumvented or foiled often enlightened and usually improved This multicultural comparative study reveals universal human traits as well as gender differences between female and male tricksters and realizes the values and attitudes which shape the

trickstar s character and behavior Trickstars also appear outside of the oral folktale tradition the author discusses their roles in contemporary feminist revisionist tales as well as in mythology biblical narratives Shakespearean comedy novels plays and opera How the female trickster differs from her male counterpart is for the first time in folklore studies illustrated through a comparison of their functions in the narrative scheme of the tale These functions include the diverting or amusing role the morally ambiguous or reprehensible role the role of the manipulator or strategist and the role of the transformer or culture bringer who reforms and improves the nature of her society Jurich delineates the specific types of tricksters who perform these functions suggests how trickstar tales variously affect listeners and readers and shows how particular types of trickstar characters contribute to the intent of the tale Feminist views of the protagonists are analyzed as well as contemporary revisionist tales which seek to reverse negative female images and to present independent women characters who can and do make positive contributions to society For the first time in folklore studies both female and male tricksters are defined and differentiated their functions are illustrated through analyzing narrative schemes and the term trickstar invented by the author is used to define and describe a female trickster

The Singing Sensations: A Journey Through Harmony and Melody

Journey Through Harmony and Melody is a celebration of their talent their influence and their enduring legacy as pioneers of popular music and culture If you like this book write a review on google books *Life of Sister St. Rita of Cascia of the Order of St. Augustine* José Sicardo,1916 *Connected Places* A. Feldhaus,2003-12-18 This book examines the words and actions of people who live in regions in the state of Maharashtra in Western India to illustrate the idea that regions are not only created by humans but given meaning through religious practices By exploring the people living in the area of Maharashtra Feldhaus draws some very interesting conclusions about how people differentiate one region from others and how we use stories rituals and ceremonies to recreate their importance Feldhaus discovers that religious meanings attached to regions do not necessarily have a political teleology According to Feldhaus There is also a chance even now that religious imagery can enrich the lives of individuals and small communities without engendering bloodshed and hatred **Her Journey's End** Frances Cooke,1911 Leaves from the Annals of the Sisters of Mercy. 4 : Containing Sketches of the Order in South America, Central America, and the United States Austin Carroll,1895 **A Journey of a Jayhawker** William Yoast Morgan,1905
