Sisters Single And Sanctified:

Sisters Single and Sanctified Pamela Mercer, 2003-12 Selfishly unselfish I found myself coming home each morning and writing something to a number of spiritual friends and e mail partners to inspire Each day I found myself calling on God and responding to a word responding to a prayer and responding to my personal supplication to be more pleasing to God I wanted to be a vessel of peace of love of tolerance and of patience What power to share a word and have someone replay with absolute emotion Respond that they have been fed they have been blessed or they have been encouraged Sisters Single and Sanctified was a project that started just that way as a method of encouraging others Several months and many pages later the completed work began to manifest as something that I wanted to share with an audience wider than my internet partners Each time I began a new page it was a blessing to take a piece of my own reality something that was shared with me as a minister to glorify God and to testify that life has many positive avenues I chose the road to spiritual thinking and spiritual living I made every effort to expand and expound in that very area in the pages of this book I have found many blessings in the writings and hope that the reader can do the same Inspired by a desire to be pleasing to God and to help others find an avenue or a channel to be as pleasing to God I wrote and completed Sisters Single and Sanctified **Single, Sanctified, and Satisfied** Evangelist Frances Elbert, 2020-10-02 This is a spiritual book for both single women and men who are struggling as they travel life without a mate It is hoped that after reading this book you will be able to navigate and begin seeing yourself in a better light Readers will come to the realization of Gods great blessings available to them Additionally I pray that you will reach a level of self assurance and total trust and dependency in God Come and journey with me as I share a few of my challenging moments of life to a point of reconciliation and true awakening that I am not missing out on anything but rather highly blessed *Empathalia* Ian Ralston Williams, 2019-04-01 The year is 2120 Love is a normal happy Young Sister enjoying life in the Utopian state of Empathalia The Male virus has been all but Eradicated or has It In this humorous but revealing novel Love and her band of fellow Sisters will learn about the realities of Empathalia and life itself as they join the Sanctified Forces of Empathalia in the Great Mammary Mountains of Central Asia to finally rid the world of the final vestiges of the despised Male virus Editors view This story takes us to a world were Males are a virus and must be obliterated where women rule and not having empathy is a crime But can they really get rid of all males Find out in Ian Ralston Williams erotic tale Empathalia **The Essence Of God's Family** Daniel Yu, 2013-01-01 This book gives us a better understanding of the essence of God s family and how we can live and build up such a church *Something Old, Something New, Nothing Borrowed Don't Have the Blues* Pamela Mercer, 2018-03-05 Something Old Something New Nothing Borrowed Don t Have the Blues is a timely poetry anthology that traces the history of portions of our culture and paints a portrait of rural black history over decades With excerpts of life truth reality and the social stigmas of Chicago s ghettos lifestyles and how total devastation by drugs race and modern enslavement while battling history integrity and the historical economic

Lamontagne,2023-07-26 This book offers a new perspective on the often overlooked lives of lay women in the English Roman

Catholic Church It explores how over a century ago in England some exceptional Catholic lay women Margaret Fletcher Maude Petre Radclyffe Hall and Mabel Batten negotiated non traditional family lives and were actively practicing their faith while not adhering to perceived structures of femininity power and sexuality Focusing on c 1880 1930 a time of dynamism and change in both England and the Church these remarkable women represent a rethinking of what it meant to be a lay women in the English Roman Catholic Church Their pious transgressions demonstrate the multiplicity of ways lay women powerfully asserted aspects of their faith while contravening boundaries traditionally assumed for them in an ostensibly patriarchal religion In fact the Church could be a place for expressions of unconventional religiosity and reinterpretations of womanhood and domesticity Connecting together the lives of these women for the first time this work fills a lacuna in the scholarship of modern Catholic and gender history Drawing from private collections and numerous archives it illustrates the surprising range of modes of Lived Catholicism and devotion to faith Students and scholars of Catholicism gender and LGBTQIA studies will find significant merit in a book that assigns lay women a more prominent role in the English Catholic Church and offers examples of the flexibility of Roman Catholicism
