The year is 1887 and the small community of Pleasant View is abuzz over Penelope Pottifer's serialized romances in the local paper. Since the release of the first volume the thrilling story has captured the hearts and minds of the entire town and several towns over. Each successive edition of the Pleasant View Gazette spins a breathtaking tale of kidnappers, pirates, and forbidden love. Between volumes, however, Pleasant View resident Mary Clarence, the story's toughest critic, hears a rumor that Penelope Pottifer is not in fact the author's real name. Determined to uncover the mystery, Mary drags her friend Elizabeth Black into a hunt for the elusive author's true identity. But fiction and reality seem to entwine when, along the way, Mary and Liz discover unexpected truths, exciting adventures, and dramatic romances of their own.
