Six Gun Heroes In The Dark:

The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr **He Was Some Kind of a Man** Roderick McGillis, 2011-04-08 He Was Some Kind of a Man Masculinities in the B Western explores the construction and representation of masculinity in low budget western movies made from the 1930s to the early 1950s These films contained some of the mid twentieth century s most familiar names especially for youngsters cowboys such as Roy Rogers Hopalong Cassidy and Red Ryder The first serious study of a body of films that was central to the youth of two generations He Was Some Kind of a Man combines the author s childhood fascination with this genre with an interdisciplinary scholarly exploration of the films influence on modern views of masculinity McGillis argues that the masculinity offered by these films is less one dimensional than it is plural perhaps contrary to expectations Their deeply conservative values are edged with transgressive desire and they construct a male figure who does not fit into binary categories such as insider outsider or masculine feminine Particularly relevant is the author s discussion of George W Bush as a cowboy and how his aspirations to cowboy ideals continue to shape American policy This engagingly written book will appeal to the general reader interested in film westerns and contemporary culture as well as to scholars in film studies gender studies children s literature and autobiography *The Comic Book* Paul Sassienie, 1994 The one essential guide for comic book fans everywhere **The Unlikely War Hero** Marc Leepson, 2024-12-17 What a strange fascinating and ultimately powerful account of one man s endurance of life as a POW during the American war in Vietnam This book I believe will stand the test of time as one of the finest nonfiction narratives to emerge from the Vietnam War Tim O Brien author of *The Things They Carried* On April 6 1967 twenty year old U S Navy Seaman Apprentice Doug Hegdahl fell off his ship a guided missile cruiser in the Gulf of Tonkin Close to exhaustion after nearly four hours in the water he was picked up by a small fishing boat and soon found himself in H a L Prison the notorious North Vietnamese POW camp the prisoners called the Hanoi Hilton Under intense interrogation Hegdahl pretended to be a country bumpkin who could barely read or write His captors fell for the ruse calling him The Incredibly Stupid One But Doug Hegdahl was far from stupid Possessing a razor sharp memory during the next two years he memorized the names of 254 fellow prisoners and senior officers ordered him to accept an early release After coming home in August 1969 Hegdahl shocked his debriefers by rattling off the names of the men Hanoi had admitted holding only a few dozen although the U S military had reliable intel on scores of others With Hegdahl s names 63 missing servicemen were reclassified to Prisoners of War But that s not all In addition to divulging the names Doug Hegdahl told the Pentagon about

the systematic torturing of the American POWs in Hanoi and reported many other hitherto unknown details about life inside the Hanoi POW camps The new information became an important factor in North Vietnam s fall 1969 decision to make life immeasurably easier for the 500 plus POWs held in Hanoi and assuaged the doubts and fears of dozens of POW families In a vividly written book based on archival research personal interviews and his experiences in the Vietnam War Marc Leepson for the first time tells the incredible tale of the youngest and lowest ranking American POW captured in North Vietnam Doug Hegdahl has never been properly recognized for his extraordinary efforts and his story has never been fully told It s a story of survival has own and scores of POWs As a U S Navy historian put it the North Vietnamese made a bad mistake when they released Seaman Doug Hegdahl
