## Six Years In Hell:

**Cry Havoc!** Nelson Lankford, 2007-12-18 A compact engrossing narrative that vividly reimagines the events that led to the outbreak of the Civil War What separates historian Nelson D Lankford's engaging examination of the causes of the Civil War from other books on the subject is its willingness to consider the alternative possibilities to history Cry Havoc recounts in riveting detail the small quirks of timing character and place that influenced the huge trajectory of events during eight critical weeks from Lincoln's inauguration through the explosion at Fort Sumter and the embattled president's response to it It addresses the what ifs the might have beens and the individual personalities that played into circumstances a chain of indecisions and miscalculations influenced by swollen vanity and wishful thinking that gave shape to the dreadful conflict to come

*Counter-thrust* B. Franklin Cooling, 2007-01-01 During the summer of 1862 a Confederate resurgence threatened to turn the tide of the Civil War When the Union's earlier multitheater thrust into the South proved to be a strategic overreach the Confederacy saw its chance to reverse the loss of the Upper South through counteroffensives from the Chesapeake to the Mississippi Benjamin Franklin Cooling tells this story in Counter Thrust recounting in harrowing detail Robert E Lee's flouting of his antagonist George B McClellan's drive to capture the Confederate capital at Richmond and describing the Confederate hero's long dreamt of offensive to reclaim central and northern Virginia before crossing the Potomac Counter Thrust also provides a window into the Union's internal conflict at building a successful military leadership team during this defining period Cooling shows us Lincoln's administration in disarray with relations between the president and field commander McClellan strained to the breaking point He also shows how the fortunes of war shifted abruptly in the Union's favor climaxing at Antietam with the bloodiest single day in American history and in Lincoln's decision to announce a preliminary Emancipation Proclamation Here in all its gritty detail and considerable depth is a critical moment in the unfolding of the Civil War and of American history

*The Dark Side of Autism* Angela Berg-Dallara, 2014-06-01 Ah Jeeze not another book about Autism But this one is different It's not all rainbows unicorns and blessings The Dark Side of Autism puts raising a child with special needs into perspective with no sugar coating of the reality With firsthand experience raising a nonverbal child with autism and epilepsy Angela talks openly and honestly about the true challenges parents face raising a child on the spectrum With contentious opinions and candid observations The Dark Side of Autism tells the truth about a dark and difficult subject people don't like to talk about while fostering awareness for this sometimes debilitating and mostly unknown neurological disorder This offhanded direct and vulnerable parenting chronicle will give you a new appreciation for the simple things taken for granted with neuro typical kids like taking a trip to Disneyland a full night's sleep and haircuts Angela often says things people only think to themselves in fear of offending someone Autism has a dark side it's learning to cope with the darkness that can lift you up If you are a parent with a child with special needs this book may read your mind Angela is spot on with her darkly funny observations in the world of special needs from the taunting beeping of a short bus to

mastering IEPs with a reoccurring don't ask don't tell theme If you know someone and chances are you do caring for a child with special needs you will gain new insight on what it must be like for them This book can be easily used as a guide to the stupid things NOT to say to a parent with a mentally or physically challenged child without checking your foot in the mouth meter first The Dark Side of Autism can help you be a kinder more compassionate friend parent spouse and human **The Making of Harpers Ferry National Historical Park** Teresa S.
