

The book cover features a bright, large yellow sun at the top center. The sky is a vibrant blue, filled with wavy, yellow and white lines that represent heat waves. In the foreground, the ground is a cracked, brownish-yellow, indicating extreme dryness. A small, green, leafy plant is struggling to grow in the center of the cracked earth. To the left, a small green sign on a white post stands on the cracked ground. In the background, a city skyline with several purple buildings is visible under the heat waves.
