Sex and Gender in Acute Care Medicine Alyson J. McGregor, Esther K. Choo, Bruce M. Becker, 2016-05-20 Until the past decade clinicians and researchers assumed that the medical evaluation and treatment of both women and men were the same This archaic and dangerous notion persisted in spite of the clear anatomic and physiologic differences between the genders Today we fully understand that this paradigm is false In all specialties of medicine practitioners and researchers are beginning to consider the influence of sex and gender and how it should inform

the care of their patients This book focuses on the issue of sex and gender in the evaluation and treatment of patients specifically in the delivery of acute medical care It serves as a guide both to clinicians interested in the impact of sex and gender on their practice and to researchers interested in the current state of the art in the field and critical future research directions **Textbook for the Adult-Gerontology Acute Care Nurse Practitioner** Valerie J. Fuller, Paula S.

McCauley, 2023-02-13 Nearly 100 expert authors who discuss the evidence based gold standards for diagnostics and tests for optimal detection of multisystem disorders patient management and transitions of care In these chapters learners will gain greater understanding of the etiology and pathophysiology of acute and critical illnesses and the latest in advanced pharmacologic and nonpharmacologic therapies We congratulate the Editors and chapter authors for their efforts in developing a clearly outlined and accurate text for AGACNP use truly the first of its kind April N Kapu DNP APRN ACNP BC FAANP FCCM FAAN Associate Dean for Clinical and Community Partnerships Vanderbilt University School of Nursing Professor of Nursing Vanderbilt University School of Nursing 2021 2023 President American Association of Nurse Practitioners Ruth Kleinpell PhD APRN ACNP BC FAANP FAAN MCCM Associate Dean for Clinical Scholarship Vanderbilt University School of Nursing Professor of Nursing Vanderbilt University School of Nursing 2017 President Society of Critical Care Medicine Encompassing all of the knowledge required to fulfill AACN and NONPF competencies and scope of practice this comprehensive evidence based text is the first written specifically for Adult Gerontology Acute Care NP students and practitioners With contributions from over 100 respected practitioners in the field it encompasses the most current information on the evaluation diagnosis and management of common conditions and integrates advanced nursing practice competencies including leadership skills understanding of complex health care systems and interprofessional team practice The text is organized by body system for ease of reference Each chapter includes a review of the current standard of care for a particular topic including assessment differential diagnostic modalities interprofessional collaboration evidence based treatment and goals for transitions of care Also covered are specific challenges and professional considerations in acute care Clinical pearls and key takeaway boxes are woven throughout to underscore essential information Special topics on palliative care pain and pain management are also covered Instructor resources include PowerPoints and a test bank Key Features A comprehensive acute care textbook written by NPs for NPs Organized by body system for ease of reference Integrates advanced nursing practice competencies Promotes leadership skills helps students to understand complex health care systems and embodies core principles of interprofessional team practice Includes clinical pearls key takeaway boxes evidence based practice resources Delivers robust teaching learning package ECGs for Acute, Critical and Emergency Care, Volume 2, 20th Anniversary Amal Mattu, William J.
