List of Factories and Other Large Industries in India India. Labour Bureau,1958 **The Making of the Chinese Industrial Workplace** Mark W. Frazier,2002-01-24 State workers in China have until recently enjoyed the iron rice bowl of comprehensive cradle to grave benefits and lifetime employment This central institution in Chinese politics emerged over the course of various crises that swept through China s industrial sector prior to and after revolution in 1949 Frazier explores critical phases in the expansion of the Chinese state during the middle third of the twentieth century to reveal how different labour institutions reflected state power While the iron rice bowl is usually seen as an outgrowth of Communist labour policy Frazier s account shows that it has longer historical roots As a product of the Chinese state the iron rice bowl s dismantling in the 1990s has raised sensitive issues about the way in which the contemporary Chinese state exerts control over urban industrial society This book sheds light on state and society relations in China under the Nationalist and Communist regimes
