Kobkua Suwannathat-Pian

Thailands Durable Premier Phibun Through Three Decades 1932-1957:

Thailand's Durable Premier Kobkua Suwannathat-Pian, 1995 A biography of Field Marshal Phibunsongkhram probably the most controversial political figure of modern Thai history and Prime Minister from 1938-44 and from 1948-57 This represents the first serious attempt to provide a sensitive and objective assessment of his real contributions to Thai history *A History of Manners and Civility in Thailand* Patrick Jory, 2021-01-07 An innovative new social history of Thailand told through the lens of changing ideals of manners civility and behaviour **Thai South and Malay North** Michael John Montesano, Patrick Jory, 2008 The portion of the Malay Peninsula where the Thai Buddhist civilization of Thailand gives way to the Malay Muslim civilization of Malaysia is characterized by multiple forms of pluralism This book examines a broad range of issues relating to the turmoil afflicting the region **Ethnic Chinese Business In Asia: History, Culture And Business Enterprise** Ching-hwang Yen, 2013-09-13 This unique volume provides a broad introduction to the ethnic Chinese business in Asia with focus on the ethnic Chinese in East and Southeast Asia The growing interest in ethnic Chinese business reflects its importance in these two regional economies and its relations with China's economy the world's new economic powerhouse It examines the nature and characteristics of the ethnic Chinese business such as business networks family business and conglomerates concepts of xinyong and guanxi and entrepreneurship and management It also examines the input of history and culture in the formation and operation of ethnic Chinese business The second half of the book is devoted to detailed regional studies covering the Chinese in Thailand Malaysia and Singapore Indonesia the Philippines Hong Kong and Taiwan This book provides an excellent introduction for tertiary students in business schools and for prospective businessmen who wish to do business with the Chinese in East and Southeast Asia **Gambling, the State and Society in Thailand, c.1800-1945** James A. Warren, 2013-07-18 During the nineteenth century there was a huge increase in the level and types of gambling in Thailand Taxes on gambling became a major source of state revenue with the government establishing state run lotteries and casinos in the first half of the twentieth century Nevertheless over the same period a strong anti gambling discourse emerged within the Thai elite which sought to regulate gambling through a series of increasingly restrictive and punitive laws By the mid twentieth century most forms of gambling had been made illegal a situation that persists until today This historical study based on a wide variety of Thai and English language archival sources including government reports legal cases and newspapers places the criminalization of gambling in Thailand in the broader context of the country's socio economic transformation and the modernization of the Thai state Particular attention is paid to how state institutions such as the police and judiciary and different sections of Thai society shaped and subverted the law to advance their own interests Finally the book compares the Thai government's policies on gambling with those on opium use and prostitution placing the latter in the context of an international clampdown on vice in the early twentieth century **Women's Suffrage in Asia** Louise Edwards, Mina Roces, 2006-08-21 Including chapters on Indonesia India Thailand China the Philippines Japan Malaysia

Korea Vietnam and international suffrage connections Women s Suffrage in Asia engages in debates on suffrage in the region by raising issues unique to the country s case studies presented It explains why the history of suffrage is neglected in the nationalist historiography and untangles the connections between culture nationalism and colonialism in the context of women s struggles for suffrage Thailand: History, Politics and the Rule of Law James Wise,2019-04-15 This introductory book on Thai politics and the rule of law explains why chronically unstable Thailand struggles to mediate and adjudicate its political disputes It focuses on the continuities between the pre 1932 and post 1932 periods Since the shift to constitutional monarchy in 1932 the power of the monarch and military has endured the legislature electorate and until recently judiciary have been comparatively powerless and constitutions and laws have been comparatively unimportant Historical continuities are also evident in the persistence of hierarchical thinking and ethno nationalism both of which have inhibited open debates about governance And the rule of law does not always apply owing to different principles underlying western and traditional Siamese law and the emergence of a distinctively Thai legal culture and consciousness Thailand s governance was re cast ambitiously in the 1890s 1932 and 1997 Since 1997 governing Thailand and developing Thailand s economy have become harder So political disputes have become more acute and the absence of a national consensus on dispute settlement mechanisms more obvious Until governance is again re cast Thailand s political instability and cycle of coups will continue

Civility and Savagery Andrew Turton,2000-05-18 This is a book about social differentiation and distinction in one of the ethnically and politically most complex regions of the world dealing with crucial issues in currently renewed debates on cultural pluralism nationalism irredentism and ethnic dispersal The themes are given a regional and historical focus by treating peoples within the Tai **Kings Countries & Constitutions - SEA NIP** Kobkua Suwannathat-Pian,2012-12-06 Providing a detailed analysis of Thailand s political development since 1932 when Thailand became a constitutional monarchy until the present this book examines the large number of different versions of the constitution which Thailand has had since 1932 and explains why the constitution has been subject to such frequent change and why there have been so many outbursts of violent political unrest It explores the role of the military and most importantly discusses the role of the monarchy which as the author shows has been crucial in holding Thailand together through the various changes of regime The author brings to light original and largely unseen documents from the Public Records Office and US National Archives as well as drawing upon her extensive knowledge of politics in Thailand *Kings Countries and Constitutions - SEA NIP* Kobkua Suwannathat-Pian,2004-11-11 Providing a detailed analysis of Thailand s political development since 1932 when Thailand became a constitutional monarchy until the present this book examines the large number of different versions of the constitution which Thailand has had since 1932 and explains why the constitution has been subject to such frequent change and why there have been so many outbursts of violent political unrest It explores the role of the military and most importantly discusses the role of the monarchy which as the author shows has been crucial in holding Thailand together

through the various changes of regime The author brings to light original and largely unseen documents from the Public Records Office and US National Archives as well as drawing upon her extensive knowledge of politics in Thailand
