David N. Ross

That Boys Seven Kinds Of Love:

That Boy's Seven Kinds of Love David N. Ross, 2003 Peggy comes of age in a rat race with another name meritocracy The story begins when she leaves her cold and tacky Long Island background behind graduating from Tufts University But her background isn't far enough behind She still carries a drawing she found with her brother everywhere she goes It needs an appraisal from a major museum but that seems to take too long She wants to move on to San Francisco Brooklyn Oxford Along the way the urge for going is matched by her urge to follow a man with high ranking in the art world He is the only one who can give her the attribution she needs but she has to follow him for thousands of miles The cooler and more virtuous he is the more power he has over her life The meritocracy rewards and punishes in perverse ways **Care and Serve**

the Heart Donald R. Downing, 2010-04 Marriage is God's idea. He has no bad ideas. He brought Eve to Adam, married them, and they lived as husband and wife for over 900 years. Genesis 2:21-25 and 5:5. By this, we can conclude that divorce was not God's idea but Satan's idea to destroy God's ideas, plans, and purpose of marriage between a man and a woman. We seek to find the right person when the greater picture is to be the right person. Man sets the time for the wedding, but God sets the time for the marriage. There is a great difference between a wedding and a marriage. Many walk down the aisle to be wedded for all the wrong reasons. Saying "I do" and placing wedding rings upon fingers does not always mean they are married within their hearts. This book reveals that a man and a woman may marry and yet not be a true husband and wife. It stresses the importance of friendship, courtship, engagement, and being married from the heart. Introducing a revolutionary approach to the covenant of marriage, this book addresses commitment, romance, love, keeping a right heart, a sound mind, and a pure relationship. Dr. Donald R. Downing is a heart physician and specialist from God to the body of Christ. He has written over 12 books and considers *Marriage from the Heart* to be one of his most important writings. He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart.
