That Day:

About That Day Tasha Malcolm, 2025-01-24 About That Day follows the riveting journey of a fearless female combat soldier as she navigates the harsh realities of war. When a near death experience shakes her to the core, she is faced with profound questions about life, duty, and the true nature of courage. As she grapples with the aftermath of this life-altering event, she must confront her inner demons and forge a path forward amid the chaos of battle. This gripping tale is a testament to the strength of the human spirit and the resilience of those who dare to confront their deepest fears. Join her on a remarkable odyssey of self-discovery and redemption in this compelling and poignant novel.

And That Day Came Jacquelyn E. Grant, 2018-08-22 As soon as Jacquelyn Grant was born into a North Carolina sharecropper family as the seventh of nine children, she knew she was loved. While growing up without many material possessions, Jakki found joy in family get-togethers, imagining Superman as her father, and in embracing all who helped her develop as a person. In her inspirational memoir, Jakki intertwines her life story with personal reflections that lead others through her childhood memories as well as tales about the birth of her son, her relationships, and work experiences. Yet even as she achieved professional success, Jakki reveals how she still felt broken, sad, and unfulfilled, all while knowing she had something more inside to give. It was only until she learned to listen to angels and her inner voice that Jakki finally improved her health, accepted her natural intuitive gifts, learned to love herself, and ultimately found the path to happiness. And That Day Came weaves stories and truths into an empowering memoir that offers a glimpse into how one woman's experiences and angelic encounters helped shape her divine destiny.

That Day in Dallas Robert K. Tanenbaum, 2025-06-10 That Day in Dallas: Lee Harvey Oswald Did Not Kill JFK is best described as a prosecution by Robert K. Tanenbaum of those corrupt, unscrupulous government and unelected agency officials who, from inception, with predetermined outcomes, deceitfully engaged in insecure, phony pretense probes regarding the assassination in Dealey Plaza. Those responsible are prosecuted, while those who speak truth to power are exonerated. Robert Tanenbaum, who in 1976 was appointed deputy chief counsel in charge of the congressional investigation into the assassination of President Kennedy, provides stunning and shocking immutable facts that reveal unequivocally that the government's reliance on the Warren Commission (WC) investigation and the House Select Committee on Assassinations (HSCA) alleged probe were reprehensibly and ultimately gut-wrenchingly misleading and downright dishonest. The HSCA was not interested in searching for truth. In fact, as an example, it ultimately fabricated a significant portion of its forensic medical panel summary report and then sealed for fifty years all the underlying documents. For the past sixty years, the government's

contrived case that a sole gunman fired from the rear three shots from the sixth floor sniper's nest window inside the Dallas Book Depository building rested substantially on invalid science and common sense offered to prove the so called Single Bullet Theory Evidence shows that five shots were fired in Dealey Plaza not three Corroboration of the fourth shot the fatal blast fired from the geographical front of JFK at the knoll hill stockade fence area includes witnesses and exhibits as well as scientific audio and photo verification while significant convincing evidence shows that the fifth shot came from a northeast building complex behind JFK The uncomfortable truth is that Lee Harvey Oswald has been unjustly accused as the assassin notwithstanding his contract employee status of both the CIA and FBI That Day in September Artie Van Why,2006-06-01 We all have our stories to tell of where we were the morning of September 11 2001 This is one of them In *That Day In September* Artie Van Why gives an eyewitness account of that fateful morning From the moment he heard a loud boom in his office across from the World Trade Center to stepping out onto the street Artie vividly transports the reader back to the day that changed our lives and our country forever *That Day In September* takes you beyond the events of that morning By sharing his thoughts fears and hopes Artie expresses what it was like to be in New York City in the weeks and months following The reader comes away from *That Day In September* with not only a more intimate understanding of the events of that day but also with a personal glimpse of how one person's life was dramatically changed forever *That Day You Left* Dorothy Koomson,2018-08-09 A powerful thought provoking emotional thriller from Sunday Times bestseller Dorothy Koomson Previously published as *THE FLAVOURS OF LOVE* Would you protect your husband's killer It's been 18 months since that day when Saffron's husband Joel was murdered Everyone in her life believes she is coping well And no one suspects the mother of two knows who killed Joel But now her daughter has confessed a life altering secret and Joel's killer seems to be stalking Saffron's every move Saffron is faced with a stark choice risk her family's safety by going to the police or keep quiet and protect her husband's murderer A powerful thought provoking emotional thriller from Sunday Times bestseller Dorothy Koomson *For Those of Us Waiting on That Day!* Ann Dillon,2015-08-20 Anyone that has had a loved one go home knows the pain and sorrow that can overwhelm them The loss of a loved one can send you into a deep abyss of pain and sorrow Do you wonder where your loved one is What is he or she doing What is Heaven like How do you find comfort in the pain Where is God when it hurts This book was written as the author found herself asking the same questions when while still grieving the loss of her dad her strong healthy husband had a sudden heart attack On November 2 2011 her husband of thirty eight years was called home to heaven Trying to hold on to her faith while reeling from shock and grief she threw herself into studying God's Word and holding on to her faith while she tried to seek answers and comfort Being unable to find a devotional that was specifically for grieving Christians lead her to write her first book You will find comfort and assurance that you will be reunited with your loved one in the scripturally based devotions as you read what God has laid on her heart Ann gives you a daily devotional that helps you focus on heaven God's sovereignty and everlasting love eternity and

that glorious day we will be reunited with our loved ones and help you find comfort and an eternal perspective as you wait on that day **But of that Day and Hour** Holger W. Neubauer, 2022-06-09 This book is written from a fulfilled perspective and a preterist view The book presents a consistent argument that unifies the Olivet Discourse into one great subject and one great fulfillment Since Jesus and His apostles were all Hebrews who lived over 2000 years ago there is a need to understand their message in the age they lived in then Jews who lived before the destruction of their temple in A D 70 would not have thought beyond the end of their age that was looming then The author explores the statement But of that day and hour knows no one and argues that Jesus was alluding to Zechariah 14 7 which context points to the destruction of the Jewish temple in the end of their age not the end of human history The author argues the case that the time of the end that Jesus spoke of was not the end of time as many Christians assume **"That Day;" Lectures on Isaiah Xii. ...** John William Reeve, 1868
