That Despicable Race:

The Hidden History of the Smock Frock Alison Toplis, 2021-04-22 Winner of the Association of Dress Historians Book of the Year Award 2022 Traditionally associated with rural ways of life in England often hand crafted and held up as one of the only items of English folk dress to survive into the 20th century the smock frock is an object of curiosity in many museum collections Drawing on a wide variety of sources from surviving garments to newspapers and photographs this book reveals the hidden history of the smock frock to present new social histories Discussing the smock frock in its widest contexts Alison Toplis explores how garments were handmade and manufactured by the ready made clothing industry and bought by men of different trades She traces the smock frock's usage across England as well as in export markets such as Australia Following the garment's decline in the late 19th century the book investigates how this essentially utilitarian style of workwear came to be held up as an example of disappearing peasant craft in an emotional response to urbanisation and how it was preserved by collectors under the influence of the Arts and Crafts movement Around the turn of the 20th century the smock frock was reinvented as both women's and children's wear and is now regularly revived in fashion collections by the likes of Molly Goddard Drawing together extensive visual and material cultures Alison Toplis unravels a new history of the smock frock

The Equality of the Human Races Joseph-Ant  nor Firmin, 2002 Rediscovering an early scientific challenge to racism This is the first paperback edition of the only English language translation of the Haitian scholar Ant  nor Firmin's *The Equality of the Human Races* a foundational text in critical anthropology first published in 1885 when anthropology was just emerging as a specialized field of study Marginalized for its radical position that the human races were equal Firmin's lucid and persuasive treatise was decades ahead of its time Arguing that the equality of the races could be demonstrated through a positivist scientific approach Firmin challenged racist writings and the dominant views of the day Translated by Asselin Charles and framed by Carolyn Fluehr Lobban's substantial introduction this rediscovered text is an important contribution to contemporary scholarship in anthropology pan African studies and colonial and postcolonial studies

Immigrants and Nationalists Gershon Shafir, 1995-10-06 In this empirical and theoretical study of nationalism ethnicity and immigration the author compares the reception of large numbers of immigrants in Catalonia the Basque country Latvia and Estonia developed regions that possess distinct cultures and nationalist movements
