That God That Man That Jew Jesus:

King of the Jews Margaret Barker, 2014-04-17 The book starts with background chapters on the Jews Moses the King in the Old Testament and moves on to the King in the New Testament apart from John and then reaches its main focus on the Gospel of John Only John's Gospel says that Jesus was crucified as Jesus the Nazorean the King of the Jews Jesus was the keeper of the ways of the first temple in Jerusalem These had almost been lost when the Moses traditions came to dominate in the second temple period Jesus mission was to restore the ways of the original temple He entrusted his visions to John the Elder a priestly disciple in Jerusalem and John compiled them into the Book of Revelation Later John wrote his Gospel to show how the visions had been fulfilled The background to the Fourth Gospel is temple tradition John shows how Jesus debates with the Jews centred on the great difference between the world of the second temple and the world of the priest kings of the first temple from which Christianity emerged The Johannine community were the Hebrew disciples of Jesus who saw themselves as the true high priesthood restored Those at Qumran who worshipped as with the angels in heaven cannot have been very different from those who wrote and read John's gospel and the Book of Revelation The latter were the Hebrew Christian community who saw themselves as the heavenly throng Their Lamb on the throne opened a sealed book secret teaching and they were originally people chosen from all the twelve tribes of Israel to receive the Name of the Lord on their foreheads Rev 7 3 4 This vision was set in the early days of the first temple before the kingdom divided and it had become the hope for the future Taken from the Introduction *The Jewish Jesus* Peter Schäfer, 2012-02-26 How the rise of Christianity profoundly influenced the development of Judaism in late antiquity In late antiquity as Christianity emerged from Judaism it was not only the new religion that was being influenced by the old The rise and revolutionary challenge of Christianity also had a profound influence on rabbinic Judaism which was itself just emerging and like Christianity trying to shape its own identity In *The Jewish Jesus* Peter Schäfer reveals the crucial ways in which various Jewish heresies including Christianity affected the development of rabbinic Judaism He even shows that some of the ideas that the rabbis appropriated from Christianity were actually reappropriated Jewish ideas The result is a demonstration of the deep mutual influence between the sister religions one that calls into question hard and fast distinctions between orthodoxy and heresy and even Judaism and Christianity during the first centuries CE **Jewish-Christian 2000 Years War Against Jesus Christ**

Mohammad Fawzi, 2014-12-12 Noticing how the world today is sinking into darkness as it did many times before through its history seeing how the Muslims are working hard against the message that Allah sent how Christians created their own preaching and faith how the Jews worked all of their lives against the LORD and the men that the LORD sent Mohammad Fawzi saw the need to do something and this book is the first of many he is working on in hope he may be able to correct the mistakes done today from all the beliefs he will also deal with the darkness of the Atheists In a world full with darkness and evil done against the LORD the need for those who have the truth is increasing not the false truth some claim to have but the

genuine truth that is supported with solid proofs and convincing evidence It is time for those who can do something to step up
