That Positive Spirit:

The Positive Philosophy of Auguste Comte Auguste Comte, 1853 *A Positive Attitude is a Muscle* John C Moore, 2001-10-28 This new approach to stress management will help you harness the forces of your mind body and spirit to manage your stress in a positive manner It will show you how your attitude outlook and commitment are tools you need toward a more stress free life This book is based upon the author's personal experience research and results from numerous workshops he has conducted throughout his career *The Positive Philosophy of Auguste Comte, Vol. II (in 2 Volumes)* Auguste Comte, 2009-01-01 French philosopher and social scientist AUGUSTE COMTE 1798 1857 developed the notion of sociology as a field that could be studied invented the term altruism and in this groundbreaking work created a system of principles and ideas a rational religion that has since come to influence humanism across the Western world In Volume II Comte defines his new social physics a system that included equality liberty of the conscience and the sovereignty of the people details his positive philosophy and explains how it can be applied to social phenomena He also explains why social dynamics mean that positivism will inevitably come to dominate human society and how positivism will impact all areas of human endeavor First published in English in 1853 this is an extraordinary synthesis of thought that is required reading for anyone wishing to understand the development of the scientific secular mindset of the modern world **The Ripple Effect: How a Positive Attitude and a Caring Community Helped Save My Life** Steven Lewis, 2014-06-25 The author Steven Lewis in superb life long health was diagnosed with pancreatic cancer a disease with a survival rate of only 5% In spite of this Steven and his wife struggled to achieve and deliberately maintain an extremely positive attitude This choice started a ripple effect that created an exceptionally caring and upbeat community of family relatives and friends and enabled this community to return even more positive energy to Steven The story became even more intense when Steven endured a second bout of pancreatic cancer that metastasized to his liver Surviving a second bout of pancreatic cancer is so rare that no statistics are kept Today Steven is cancer free in excellent health and works out strenuously Virtually all of us at some point will experience extreme life difficulties involving circumstances such as severe illness injuries accidents divorce or natural disasters A positive attitude can help us think clearly be solution oriented and ultimately prevail Whether Steven physically survived or not an attitude of complaint and negativity would have shattered his emotional life and that of his family Stevens choice was to stay positive and upbeat in spite of his situation What would you have done *Leo Strauss on Political Philosophy* Leo Strauss, 2022-12-22 The eminent political theorist's classic lectures on the history of political philosophy and the problems of historicism and relativism Leo Strauss is known for reviving classical political philosophy through careful analyses of works by ancient thinkers As with his published writings Strauss's seminars were notoriously dense accessible only to graduate students and scholars In 1965 however Strauss offered an introductory course on political philosophy at the University of Chicago Using a conversational style he sought to make political philosophy as well as his own

ideas and methods understandable to those with little background on the subject Leo Strauss on Political Philosophy brings together the lectures that comprise Strauss's Introduction to Political Philosophy Strauss begins by arguing that the proper aim of political philosophy is to determine the common good in society He then critiques the theories of positivism and historicism the two most powerful challenges to this intellectual project These lectures range across the history of political philosophy providing a valuable thematically coherent foundation including explications of many canonical thinkers such as Plato Aristotle Auguste Comte and Immanuel Kant
