David Cannadine

Thatcherism Scope And Limits 1983 87:

Thatcherism Martin Holmes,1989 This book examines the pace of change and the nature of the Thatcherite revolution 1983 87 It draws on 30 interviews with ministers and officials and offers a critique of existing theories of Thatcherism The author assesses the progress of opposition to and future of policy *Thatcher and Thatcherism* Eric J. Evans,2013-02-11 This fully revised and updated third edition of *Thatcher and Thatcherism* examines the origins and impact of Thatcherism as a cultural construct and an economic creed from the 1970s to the formation of a coalition government in 2010 Focusing on the career of Margaret Thatcher Eric J Evans questions both the originality and the ideological coherence of Thatcherism were illusory He argues that Thatcherism was a bold experiment in ideologically driven government But also that despite Thatcher s political dominance failed to meet its main objectives He includes discussion of privatisation policies and the challenge to trade union power how Thatcher changed and controlled the Conservative Party Britain s slow economic decline and Thatcher s attempt to turn Britain around the legacy of the Falklands conflict and Thatcher s approach to Europe the approach to the professional ethic including education the civil service and crime the influence of Thatcherism on succeeding governments from Major through New Labour and down to the Cameron Clegg coalition With comprehensive suggestions for further reading and explanation of the economic social and historical context of Britain in the late 1970s and 1980s *Thatcher and Thatcherism* is an invaluable guide to the complexities and paradoxes of Britain from the late 1970 s to the present day

Thatcherism Martin Holmes,1989-07-06 This book examines the pace of change and the nature of the Thatcherite revolution 1983 87 It draws on 30 interviews with ministers and officials and offers a critique of existing theories of Thatcherism The author assesses the progress of opposition to and future of policy The Social Context of Economic Change in Britain Terrence Casey,2002 This book examines a period of dramatic economic change in Britain during the Thatcher era **The Labour Party's Economic Strategy, 1979-1997** R. Hill,2001-09-26 The book considers Labour s economic strategy as it developed through the party s long period of opposition between 1979 and 1997 This history argues strongly that accounts of Labour s recent past which claim that the Party was driven by a combination of Thatcherism and opinion polls are flawed It offers an alternative account which stresses the importance of debates within and around the Party about how the economy should be understood the role of markets and the state and British industrial decline **The Rise and Fall of Class in Britain** David Cannadine,1999 Although politicians in Britain are now calling for a classless society can one conclude as do many scholars that class does not matter anymore Cannadine uncovers the meanings of class for such disparate figures as Adam Smith Karl Marx and Margaret Thatcher and identifies the moments when opinion shifted such as the aftermath of the French Revolution and the rise of the Labour Party in the early twentieth century **The Official History of Privatisation Vol. I** David Parker,2009-01-29 This first volume of the *Official History* studies the background to privatisation and the privatisations of the first two Conservative Governments led by Margaret Thatcher from

May 1979 to June 1987 First commissioned by the then Prime Minister Tony Blair as an authoritative history this volume addresses a number of key questions To what extent was privatisation a clear policy commitment within the Thatcher Governments of the 1980s or did Government simply stumble on the idea Why were particular public corporations sold early in the 1980s and other sales delayed until well into the 1990s What were the privatisation objectives and how did they change over time if at all How was each privatisation planned and executed how were different City advisers appointed and remunerated what precise roles did they play How was each privatisation administered in what ways did the methods evolve and change and why How were sale prices determined Which government departments took the lead role what was the input of the Treasury and Bank of England and what was the relationship between Ministers and civil servants The study draws heavily from the official records of the British Government to which the author was given full access and from interviews with leading figures involved in each of the privatisations including ex Ministers civil servants business and City figures as well as academics that have studied the subject This new official history will be of much interest to students of British political history economics and business studies The Management of the British Economy, 1945-2001 Nicholas Woodward, 2004 Since 1945 British governments have played an active role in managing the economy in the interests of securing high employment economic growth and low inflation with their approach evolving in response to changing economic circumstances intellectual shifts and past policy failures This book provides an overview of economic management particularly financial management and addresses how it has changed and why it has not always been successful It examines the actual policies that were introduced the problems that various governments faced in implementing them and how the approach to policymaking changed It also examines the main phases of economic policymaking and the conduct of policymaking as there is a widespread consensus that until recently short run economic management could have been more successful than it was **Confidence Regained** Helmut Norpoth, 1992 The electoral consequences of Margaret Thatcher's economic policies **Britain under Thatcher** Anthony Seldon, Daniel Collings, 2014-01-14 This concise accessible and balanced historical analysis of the Thatcher years and their consequences analyzes many controversial aspects of Margaret Thatcher's premiership including the Falklands War the miners' strike bitter relations with Europe and the ill-fated poll tax Books in this Seminar Studies in History series bridge the gap between textbook and specialist survey and consists of a brief Introduction and or Background to the subject followed by a substantial and authoritative section of Analysis focusing on the main themes and issues There is a succinct Assessment of the subject a generous selection of Documents and a detailed bibliography

Delve into the emotional tapestry woven by in Dive into the Emotion of **Thatcherism Scope And Limits 1983 87** .
