My Dog Tippy Eileen N. (Haslett) Seddon,2013-06 My book is about my first dog I ever raised from a puppy His name was Tippy he had many adventures in his 17 years of life And he lived two years longer than any other beagle we had The rest lived to about 15 years He may have made it even longer if he had not met his end by being hit by a car He was the most beautiful beagle we ever had And one of the most intelligent His only draw back was he was a biter But he never really bit anyone except our one neighbor boy who teased him all the time So I feel it was well deserved

The Collected Letters of Katherine Mansfield: Volume IV: 1920-1921 Katherine Mansfield,1996-03-28 The letters in this volume cover the eighteen months Katherine Mansfield spent in England France and Switzerland from May 1920 to the end of 1921 It is the period of her finest stories and when her life took its most decisive turn There is a subtle but unmistakable change in her expectations a new spiritual insistence that is both elusive and resolute From her Chekovian acceptance that they are cutting down the cherry trees she derives a tough existential directness the little boat enters the dark fearful gulf Nobody listens The shadowy figure rows on One ought to sit still and uncover one s eyes There is a determined push not always successful towards a necessary honesty as much as to artistic achievement while those qualities of her earlier correspondence remain undiminished the precision and directness the intelligence and wit the dark incisiveness as much as sheer fun Above all perhaps these letters comprise a record of very
