Abuse of Diplomatic Privileges and the Balance between Immunities and the Duty to Respect the Local Laws and Regulations under the Vienna Conventions: The Recent Indian Experience

S. Subramanian¹

Abstract: The successful adoption of the Vienna Convention on Diplomatic Relations is hailed as the 'landmark of the highest significance in the codification of international law'. It represented the first significant codification of any international instrument since the United Nations was established. However, despite the codification of the above rules, which is largely based on the pre-existing customary international law, the scope of diplomatic protection was not free from issues and controversies. In recent times... [Show more](#)

The Abuse Of Diplomatic Privileges And Immunities A Necessary Evil

J. Craig Barker

The Abuse Of Diplomatic Privileges And Immunities A Necessary Evil:

The Abuse of Diplomatic Privileges and Immunities J. Craig Barker, 1996 Draws together many of the arguments for and against a reduction in diplomatic privileges and immunities to determine whether such privileges and immunities are a necessary evil. It focuses on the problem of abuse and gives an explanation of the rationale of diplomatic privileges and immunities.

The Protection of Diplomatic Personnel J. Craig Barker, 2016-02-24 The recent emergence of many new states and the creation of a large number of international institutions have resulted in considerable growth in the number of persons having diplomatic status. However, an unfortunate side effect of this growth has been a corresponding increase in the number of attacks on diplomatic personnel as symbolic figures. Diplomats are targets for all types of political violence. This book provides an in-depth examination of the legal and non-legal regimes directed towards the protection of diplomatic personnel around the world. It examines the theoretical and practical justifications for the granting of special protection to such personnel and also particular recent developments in international law relating to the prevention of terrorism and the development of international criminal law including the International Criminal Court.

The State Immunity Controversy in International Law Ernest K. Banks, 2005-06-30 The author shows through a careful analysis of the law that restrictive immunity does not have *vox populi* in developing countries and that it lacks *usus*. He also argues that *forum law* i.e. the *lex fori* is a creature of sovereignty and between equals before the law only what is understood and acknowledged as law among states must be applied in as much as the international legal system is horizontal.

Diplomatic Law in a New Millennium Paul Behrens, 2017-08-04 The granting of diplomatic asylum to Julian Assange, the dangers faced by diplomats in hotspots around the world, WikiLeaks and the publication of thousands of embassy cables: situations like these place diplomatic agents and diplomatic law at the very centre of contemporary debate on current affairs. *Diplomatic Law in a New Millennium* brings together 20 experts to provide insight into some of the most controversial and important matters which characterise modern diplomatic law. They include diplomatic asylum, the treatment and rights of domestic staff of diplomatic agents, the inviolability of correspondence of the diplomatic bag and of the diplomatic mission, the immunity to be given to members of the diplomatic family, diplomatic duties including the duty of non-interference, but also the rise of diplomatic actors which are not sent by States including members of the EU diplomatic service. This book explores these matters in a critical yet accessible manner and is therefore an invaluable resource for practitioners, scholars and students with an interest in diplomatic relations. The authors of the book include some of the leading authorities on diplomatic law including a delegate to the 1961 conference which codified modern diplomatic law as well as serving and former members of the diplomatic corps.

The Human Rights Challenge to Immunity in International Law Selman Özdan, 2022-02-12 This book focuses on the tension between the protection of human rights recognised as *jus cogens* peremptory norms on the one hand and the bestowal of immunity on the state and its representatives on the other to ascertain how these immunities can be eroded if not

fully abolished to maintain full protection of jus cogens human rights under international law The book argues that immunity should not equate to impunity when violations of jus cogens human rights are committed by States Heads of State or diplomatic agents To make the case the organic structures of the concepts of sovereignty and fundamental human rights are examined Then the human rights based challenge to immunity is presented with respect to State Head of State and diplomatic immunity and the transition from a state centric system to a human centric system is explored Jus cogens norms are at the centre of the impunity versus immunity debate *International Law and International Relations* J. Craig Barker, 2000-01-01 This text examines key concepts in international law in order to illuminate them in the context of international relations The first part of the book covers theoretical issues The second part examines international law in context including case study material and the Pinochet litigation

An Introduction to International Criminal Law and Procedure Robert Cryer, Håkan Friman, Darryl Robinson, Elizabeth Wilmshurst, 2014-06-12 This new edition of market leading textbook contains both updated and new material to give the most current coverage of the subject International Law and Diplomacy Charles Chatterjee, 2013-10-31 In this work the author explores the subjects of sovereignty diplomacy and the function of diplomats diplomatic missions protocol ethics in diplomacy the role of Ministries of Foreign Affairs intergovernmental conferences and the United Nations It includes a useful glossary of over sixty essential terms such as Calvo Doctrine Extradition Rapporteur and Uti Possidetis Juris clearly relates the conduct of diplomacy to the principles of international law This volume will appeal to graduate and undergraduate students studying diplomacy public administration and international relations courses as well as practising diplomats international organization and foreign ministry officials and those who have regular dealings with them

Russia and Courtly Europe Jan Hennings, 2016-10-27 In this book on early modern diplomacy Jan Hennings explores the relationship between European powers and Russia beyond the conventional East West divide from the Peace of Westphalia to the reign of Peter the Great He examines how at a moment of new departure in both Europe and Russia the norms shaping diplomatic practice emerged from the complex relations and direct encounters within the world of princely courts rather than from incompatible political cultures He makes clear the connections between dynastic representation politics and foreign relations and shows that Russia despite its perceived isolation and cultural distinctiveness participated in the developments and transformations that were taking place more broadly in diplomacy The central themes of this study are the interlocking manifestations of social hierarchy monarchical honour and sovereign status in both text and ritual Related issues of diplomatic customs institutional structures personnel negotiation practice international law and the question of cultural transfer also figure prominently International Peacekeeping Boris Kondoch, 2017-05-15 Peacekeeping has been the technique most frequently used by and associated with the United Nations to end conflicts and to preserve peace In addition international and regional organizations have also performed peacekeeping functions Since the establishment of the first UN peacekeeping mission UNEF I in 1956

international lawyers have raised questions about the legal aspects of these operations. Traditionally they analyzed the constitutional basis for peacekeeping and tried to allocate the authority under the UN Charter for peacekeeping among the Security Council, the General Assembly and the Secretary General. They discussed the use of force by peacekeepers, the applicability of international humanitarian law as well as the responsibilities and liabilities of peacekeepers. Since the end of the cold war, peacekeeping operations have become more complex. In the first forty years, peacekeepers functioned mainly as buffer zones between warring parties and monitored cease fires. Nowadays they are increasingly engaged in internal rather than international conflicts and perform a multitude of tasks. Among others, they act as civilian administrators, oversee elections and monitor human rights. These changes have raised new legal problems. Which human rights obligations exist for peacekeepers? Do peacekeepers have to intervene if they witness war crimes and acts of genocide? How are they protected under international law? What is the legal framework of UN administrations like in Kosovo and East Timor? In order to enhance a better understanding of these legal issues arising from peacekeeping operations, a collection of articles written by the leading experts in the field have been compiled in the volume *International Peacekeeping*.

The Abuse Of Diplomatic Privileges And Immunities A Necebarry Evil Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil Introduction

In the digital age, access to information has become easier than ever before. The ability to download *The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil* has opened up a world of possibilities. Downloading *The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware.

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil Books

What is a The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Abuse Of Diplomatic Privileges And Immunities A Necebery Evil PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools.
