For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **Kill the Messenger** Maria Armoudian,2011-08-23 This wide ranging insightful book will make readers keenly aware of the media's power while underscoring the role that we all play in fostering a media climate that cultivates a greater sense of humanity cooperation and fulfillment of human potential What role do the media have in creating the conditions for atrocities such as occurred in Rwanda Conversely can the media be used to preserve democracy and safeguard the human rights of all citizens in a diverse society How will the media now global in scope affect the fate of the planet itself The author explores these intriguing questions and more in this in depth examination of the media's power to either help or harm She begins by documenting how the media were used to spread a contagion of hate in three deadly conflicts Rwanda Nazi Germany and the former Yugoslavia She then turns to areas of the world where the media acted constructively by aiding the peace process in Northern Ireland rebuilding democracy in Chile bridging ethnic divides in South Africa improving the lot of women in Senegal and boosting transparency and democratization in Mexico and Taiwan Finally she explains how the media interact with psychological and cultural forces to impact perceptions fears peer pressure groupthink and the creation of heroes and villains
