The Guinness Of Olympics Facts And Feats

Bill Mallon, Jeroen Heijmans

The Guinness Of Olympics Facts And Feats:

The Guinness Book of Olympics Stan Greenberg,1983 Provides information on the Olympic competitions and medal winners in swimming ice hockey boxing speed skating gymnastics and other sports *The Guinness Book of Olympic Facts and Feats* Stan Greenberg,1996 With a full results history of each Olympic sport from athletics to yachting including every medal winner in the history of the games this book takes a look at the ancient games and future celebrations such as Sydney 2000 The 1904 Olympic Games Bill Mallon,2015-07-11 The 1904 Olympic Games in St Louis were both unusual and controversial One of the major problems for Olympic scholars has been to determine which of the events at these Games were truly of Olympic caliber The Games were included as part of the World s Fair and every athletic contest that took place under the Fair s auspices was deemed Olympic These activities included croquet and water polo high school and college championships in football and basketball as well as the Anthropology Days events in which members of primitive tribes competed against one another The author demonstrates after great deliberation that 16 events of the 21 overall were truly Olympic sports and gives descriptions scores and analyses for each as well as for the five non Olympic events Appendices include literature relating to these games lists of noncompeting foreign entrants and a guide to all competitors **The Guinness Book of Olympics** Stan Greenberg,1996 Historical Dictionary of the Olympic Movement Ian Buchanan,Bill Mallon,2005-11-15 The Olympic Games brings together thousands of athletes competing in over 40 sports and representing over 200 nations But that is just the surface for none of this would be possible without the constant efforts of an incredible organization consisting of tens of thousands of sports lovers united in sports associations National Olympic Committees and the International Olympic Committee The third edition of this fascinating book deals with both levels of the competition the competitive side and the administrative side The dictionary includes hundreds of entries on the major sports more outstanding athletes participating countries and numerous bodies in the organization as well as successive generations of officials starting with the founder Pierre de Coubertin But that is not all Two chronologies trace the history of the Olympic movement back to the Ancient Olympiad first celebrated in Greece in 776 B C as well as all of the modern Games up to Athens in 2004 The appendixes then provide elusive facts on the Games the officials the torchbearers and the top Olympic medal winners A bibliography is included to allow further research Reviews of the Previous Edition Buchanan and Mallon provide comprehensive clearly written and well organized historical information about the Olympic movement Highly recommended Choice most useful for quick lookups and is the only one to have most information on individual athletes Reference Books Bulletin **The 1920 Olympic Games** Bill Mallon,Anthony Th. Bijkerk,2015-07-11 Until this volume was compiled the results of the 1920 Olympics held in Antwerp Belgium have been far from complete The Antwerp organizing committee typed up a report of the results almost as an afterthought because it was so financially strapped after the games For some events only the medalists are listed with little if any additional information Very few copies were ever produced and

those few copies were in French The seventh in a series on the early Olympics this work fills a gap in the recording of early Olympics history by providing complete results for all competitors and all events except for shooting which has only partial information available In virtually all cases a 1920 source has been used in preference to a more modern source of information and all details have been fully researched in contemporary newspapers journals and magazines and checked for accuracy by experts on various sports from all over the world

The Olympic Marathon David E. Martin, Roger W. H. Gynn, 2000 No Olympic event can rival the rich history and grand spectacle of the marathon Created for the first modern Olympic Games in Athens in 1896 as a commemoration of the legendary run by the Greek messenger Philippides the race has endured like no other producing a century of awe inspiring competition and unforgettable stories The Olympic Marathon brings the high drama and rich details of the past 24 Olympic marathon races to life in a way no other book ever has This definitive resource written by world renowned Olympic marathon experts David Martin and Roger Gynn goes beyond statistics to offer readers a vivid chronicle of the athletes and their memorable marathon performances Fans will relive the compelling moments that have made the Olympic marathon legendary Spiridon Louis winning the first modern Olympic marathon in Athens in 1896 Emil Z topek s dramatic triple gold performance in 1952 Ethiopian Abebe Bikila winning a gold medal while running barefoot Joan Benoit Samuelson earning her place in history as winner of the first Olympic women s marathon in 1984 and many other fascinating stories For each race The Olympic Marathon provides the following A summary of the geographical setting and political climate surrounding the Olympic Movement A course map and detailed street description A step by step narrative of how the race was run Biographical sketches of the top three finishers A Looking Ahead section which summarizes marathon highlights leading up to the next Olympic marathon Generously illustrated often with rare and never before published photos a pictorial glimpse is provided into the contemporary atmosphere and dynamics of each race Plus for readers who want complete statistics on each race the book provides a comprehensive appendix Included are chronological and alphabetical race results for all men and women who participated in the event and listings of the fastest men s and women s Olympic marathon performances The Olympic Marathon is the authoritative book on the race that has captured the imagination of the world It s a one of a kind resource that every fan of running and the Olympics will treasure

The 1896 Olympic Games Bill Mallon, Ture Widlund, 2015-07-11 During the 1996 Centennial Olympic Games in Atlanta much of the world watched and celebrated as athletes broke world records and took home medals fulfilling their Olympic dreams The athletes scores were available instantaneously and are now easily accessible but what about the performance records of the first modern Olympic athletes The Modern Olympic Games began in 1896 in Athens Greece but an official record of these Olympic games does not exist This work is the first in a series of comprehensive reference works giving the results of the Olympic Games beginning in 1896 Based primarily on 1896 sources the sites dates events competitors and nations as well as the event results are compiled herein for track and field cycling fencing gymnastics shooting swimming tennis lawn weightlifting wrestling and

other sports and events Although mainly a statistical analysis this work does include a short synopsis of the Sorbonne Congress and reprints of famous articles about the Olympics

Historical Dictionary of the Olympic Movement Bill Mallon, Jeroen Heijmans, 2011-08-11 The fourth edition of the Historical Dictionary of the Olympic Movement presents a comprehensive history of the games from the first recorded history of the games in 776 B C to the present day This is done through a chronology forewords by Dan Jansen and Mike Krzyzewski an introductory essay appendixes a bibliography photos and over 900 cross referenced dictionary entries covering the history philosophy and politics of the Olympics and of course the medal winners This book is an excellent access point for students researchers and anyone wanting to know more about the Olympics

The Official History of the Olympic Games and the IOC - Part III: The Modern Era (1984-2012) David Miller, 2012-11-16 With the sporting world still on a high following the triumphant 2012 Games in London The Official History of the Olympic Games and the IOC gives an unparalleled account of the Olympic story from its beginnings in Athens 1894 to the present day including an in depth account of the London Olympics This lavishly illustrated story covers the re creation of the Olympic Games by Pierre de Coubertin the often controversial fortunes of the governing body formed in 1894 and the highs and lows of the Olympics themselves since the first Games in 1896 It also tells the stories of the historic competitors from Spyridon Louis the inaugural marathon winner and such heroes as Jim Thorpe Paavo Nurmi Sonja Henie Jesse Owens Fanny Blankers Koen Emil Z topek Herb Elliott Kip Keino Mark Spitz Franz Klammer Sebastian Coe and Carl Lewis through to Hicham El Guerrouj Michael Phelps Usain Bolt Yu na Kim and Mo Farah Detailed background is provided to the many crises the Nazi Games of 1936 the massacre at Mexico City in 1968 the terrorist slaughter of Israelis at the 1972 Munich Games the boycotts the advent of professionals from 1988 and the Ben Johnson scandal and the ongoing threat of drug abuse The mounting million dollar investment by medal obsessed nations is also questioned This elaborate analysis is the definitive account of the world s foremost sporting spectacle This the final volume of three ebooks covers the modern era 1984 2012 including this year s London Olympics

Historical Dictionary of the Olympic Movement John Grasso, Bill Mallon, Jeroen Heijmans, 2015-05-14 The Olympic Movement began with the Ancient Olympic Games which were held in Greece on the Peloponnesus peninsula at Olympia Greece It is not clear why the Greeks instituted this quadrennial celebration in the form of an athletic festival The recorded history of the Ancient Olympic Games begins in 776 B C although it is suspected that the Games had been held for several centuries by that time The Games were conducted as religious celebrations in honor of the god Zeus and it is known that Olympia was a shrine to Zeus from about 1000 B C In modern time The Olympic Movement attempts to bring all the nations of the world together in a series of multisport festivals the Olympic Games seeking to use sport as a means to promote internationalism and peace This fifth edition of Historical Dictionary of The Olympic Movement covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on the history philosophy and politics of the Olympics major organizations the

various sports the participating countries and especially the athletes This book is an excellent access point for students researchers and anyone wanting to know more about The Olympic Movement

The Complete Olympic Games Quiz Book Martin Greensill, 2012-08-20 Containing 1700 questions on many aspects of both the Summer and Winter Olympics The Complete Olympic Games Quiz Book provides a comprehensive resource that can be used in various ways such as testing family and friends or forming the basis of a more formal quiz The book covers the entire history of the modern Olympics from Athens 1896 to London 2012 and includes questions on all the sports that have featured at these Games There are also two multiple choice sections on numbers and two chapters of mixed bag questions which among other things bring out the quirky side of the Olympics through a variety of trivia teasers Including over 150 questions on London 2012 the book builds into a challenging but stimulating test of sporting knowledge and should provide hours of entertainment for fans of quizzes and the Olympics

Olympic Black Women Martha Ward Plowden, 1996 The ancient Greeks excluded women from the Olympics When the modern games were reinstated in 1896 the ban was continued But in the next Olympiad in 1900 women were included It was not until 1932 that the first African American women were selected to participate in the Olympics in Los Angeles California Since that eventful year more and more black women have participated in the Olympics Now they compete in all areas of track and field tennis basketball rowing volleyball and figure skating This book highlights some of the accomplishments of these Olympic medalists and attests to their magnificent representation of our country abroad With a brief biographical outline and a listing of each award won Martha Ward Plowden brings to life some of the worlds greatest athletes Included is a timeline of participants in each Olympics a listing of Olympic sites through the years a glossary and suggested reading An excellent text for history classes Olympic Black Women is a tribute to the accomplishment of Olympic women throughout the years

Nike is a Goddess Lissa Smith, 1999 A collection of thirteen narratives that profile the top female athletes in different sports including Babe Didrickson Zaharias Billie Jean King Jackie Joyner Kersee and Sheryl Swoopes

The Guinness Book of Speed Facts & Feats Bill Gunston, David Taylor, Andy Ewart, 1984 Contains information about speeds associated with living things sports vehicles technology and science

A Passion for Victory Benson Bobrick, 2014 A history of the Olympic Games starting with their inception in Ancient Greece and leading up to the 1936 games in Nazi Berlin

International Diplomacy and the Olympic Movement Aaron Beacom, 2012-07-31 This book explores the relationship between diplomatic discourse and the Olympic Movement charting its continuity and change from an historical perspective Using the recent body of literature on diplomacy it explores the evolution of diplomatic discourse around a number of themes in particular the increasing range of stakeholders engaged in the Olympic bid disability advocacy and the mainstreaming of the Paralympic Games and the evolution of the Olympic boycott The work addresses the increasing engagement of a number of non state actors in particular the IOC and the IPC as indicative of the diffusion of contemporary diplomacy At the same time it identifies the state as continuing in the role of primary actor setting the terms of reference for

diplomatic activity beyond the pursuit of its own policy interests Its historical investigation based around a UK case study provides insights into the characteristics of diplomatic discourse relating to the Games and creates the basis for mapping the future trajectory of diplomacy as it relates to the Olympic Movement **Guinness Book of Records** ,1983 Sport and Recreation in Ancient Greece Waldo E. Sweet,1987 Intended for readers at all levels from student to classics buff to serious scholar this sourcebook looks at sport and recreation in ancient Greece through vivid new translations of contemporary accounts Covering such diverse topics as the ancient Olympic games athletic attire women in sports hunting and fishing and weight lifting the book provides an excellent springboard for the study of ancient Greek history and classical literature The book includes study questions after each translated passage and a rich assortment of photographs of ancient art and artifacts depicting players events and equipment **Historical Dictionary of Track and Field** Peter Matthews,2012-03-22 While the earliest evidence of organized running can be traced back to Egypt in 3800 BCE the modern sport of track and field evolved from rural games and church and folk festivals and rules were drawn up in the final quarter of the 19th century in those advanced societies where enough people had the leisure time to indulge their fancies Today in addition to the running events track and field includes such events as the high jump pole vault long jump shot discus javelin hammer and decathlon The Historical Dictionary of Track and Field covers the history of this sport through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on key figures places competitions and governing bodies within the sport This book is an excellent access point for researchers students and anyone wanting to know more about the history of track and field
